Chittagong overcame searing heat, a fine century by national allrounder Aminul Islam Bulbul playing for

Sylhet, and their own poor fielding to lift the glittering trophy of the 18th national cricket championship for the second time with a four-wicket win over Sylhet DSA at the Dhaka Stadium yesterday.

Sylhet, in search of their maiden championship, found themselves in dire straits soon after Chittagong (CJKP) captain Nurul Abedin Nobel, deputising for younger brother and national skipper Minhazul Abedin Nannu who had left for the UK, put the strong Sylhet Eleven into bat. CJKP opening bowlers.

left-arm Morshed and Subroto, had them reeling at three for eight in the seventh over. Opener Sohel Hamid, who played a ninety-plus innings in the semifinals, was bowled by Morshed for a duck and Ahmed and Alok left for four and one respectively.

Aminul Islam Bulbul, one of the most exciting all-rounders of recent times, then paired with skipper Rizvi to make the wicket-run proportion more sensible.

These two put on 85 runs for the fourth wicket before Rafigul Alam, the man-of-thematch of the final, stepped in to claim the first of his three wickets. Rizvi left for a painstaking 32 but Bulbul mixed caution with aggression to do his best for his adopted side. Whether dancing down the wicket or lapping the ball behind square with his favourite paddle sweep, Bulbul was a delight to watch. The batsmen, who rode his luck, made 112 off 109 balls with the help of eight fours and two sixes over long-on and midwicket.

Golam Faruq Suru contributed a quick 24 off 15 balls while hired hands Nadir Shah and wicket-keeper Nasir Ahmed Nasu chipped in with 15 and 14 not out respectively to take the Sylhet score to 227 for nine from the stipulated 45

Subroto, the CJKP opening bowler who plays for Lalmatia Club, was the pick of the bowlers with figures of three for 33 from his quota of nine

Rafiqui Alam, no longer a fearsome customer with the cherry, reaped rich with his slow wobbly, well-directed deliveries, finishing with three for 36. He broke through at the crucial phases of the Sylhet innings picking the vital wickets of Athar Ali Khan and a dangerous Golam Nowsher Prince to stifle the go-go-spirit of the Sylhetis, a fact that prompted match adjudicator Dipu Roy Chowdhury to name him as the man of the match

Experienced Morshed bowled a good line to capture two for 23.

The Chittagong fielding, in keeping with the general low standard of fielding in our

cricket, added to the discomfi-

ture of the heat stricken spectators, left a lot to be desired. Chittagong openers Nurul Abedin Nobel and Zahid Razzak Masum began cautiously, keep-

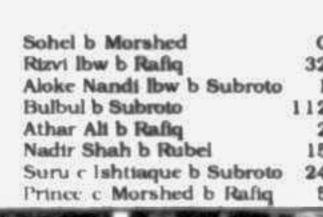

ing in mind the unavailability

of their best batsman Nannu

provided Sylhet the first breakthrough. Form-batsman Rafigul Alam, who originally hails from Barisal, then teamed up with Masum who, after a couple of reprieves, was stroking the ball freely. They put on 99 for the second wicket before Rafiq tried to force Nadir Shah and was caught by a languid Athar for a well-complied 46, including four hits to the fence.

The departure of Rafiq meant little respite for the Sylhet players as burly Akram Khan another very successful and inform batsman, walked in to fill the void created by Rafiq's departure.

An unfortunate incident caused further calescence in an almost unbearable atmosphere when umpire Dilip ruled Masum leg before the wicket off Bulbul with the batsman on 73. The ball, either off the batsman's pad or bat or a bit of both, trickled down to the thirdman with the batsman setting off for a single but the raised finger of the umpire called for a return to the pavilion. An infurtated Masum stayed at the wicket for an embarrassingly long time and motioned rather threateningly at the umpire which did anything but good to the game

girth to take CJKP to its cherished goal. He was there at the kill with an invaluable knock of 56 and rounded off the show with a pulled four off Prince from the first delivery of the last over to raise the total to 229 for six wickets. Nadir Shah was the most

successful Sylhet bowler with the expensive analysis of two for 62, from nine overs. Bulbul and Suru took one wicket apiece.

A comedy of verbal error reigned the prize distribution ceremony in which State Minister for Textiles Abdul Mannan gave away the prizes after a brief speech by Malcolm Fry, the representative of the sponsors BTC. Earlier, Foreign Minister and President of Bangladesh Cricket Control Board A S M Mustafizur Rahman witnessed the proceedings of the earlier part of the match.

Chittagong pocketed a winners' purce of Taka 25,000 and Sylhet Tk 16,000 while man of the match Rafiq went home richer for Tk 2,000.

# COOB, IAAF haggle over schedule

BARCELONA. Spain, Apr 17 With just 100 days left before Summer

track officials and local Olympic organizers remain locked in a battle over the timetable for several key races, reports AP. The focus of the debate is

American sprinter Michael Johnson, the world's fastest man at 200 and 400 meters. The problem is that the finals of both events are now set for the evening of Aug 5. The International Amateur

Athletic Federation has tried for months to change that schedule, in order to give Johnson a chance for two gold medals. Such a move would require organizers to move five

The Barcelona organizers say it is too late for such a move, since tickets and programmes already are printed.

Though they privately acknowledge the IAAF probably will get its way in the end,

this calendar, which was discussed for two years," said Sixte Cambra, who will supervise track and field events at the Olympics. "We have a calendar published and we have sold tickets, and the prothe broadcasters. It is difficult for us to change it."

The IAAF Council decided in November to move five finals - the men's 200 meters and the women's 200 meters, 400 meters, 400-meter hurdles and 800 meters — and has renewed its call for such a move several times in the last few months.

An official at the IAAF headquarters in London said Thursday that the federation was sticking to its decision. Officials of the International Olympic Committee have indicated they would support the

lAAF's position. Such a change would push the men's 200-meter final back by a day to Aug 6. IAAF President Prime Mebiolo has defended such a move to help Johnson, saying a similar change was made at the 1976 Montpeal Olympics for the Cuban runner Alberto Juantorena.

The IAAF has said it decided to seek the changes after last year's world

Championships in Tokyo, where Johnson won the 200 meters but did not run in the 400 meters.

The scheduling battle is the second time Barcelona organtzers have clashed with the IAAF. The earlier clash led to cancellation of an IAAF track meet set for June 3 at the

### Short earns draw

LINARES, Spain, Apr 17 British Grandmaster Nigel Short came from behind to adjourn in a winning position against former world champion Anatoly Karpov of Russia in their fourth game in the world chess championship semifinals on Thursday, reports Reuter.

The pair had played 60 moves in six hours and the game was adjourned with Short in possession of a rook, a bishop and two pawns against Karpov's knight, bishop and two pawns.

Karpov, playing his favourite Caro Kan defence - the same strategy as in the second match of the best-of-10 series - could easily have drawn after sacrificing a rook for a bishop.

But thirsting for victory, and with both players in serious time trouble, Karpov forced a series of exchanges which Short turned to his advantage, leaving Karpov struggling for a draw.

Short wins, the score will be level at two games each. Dutch Grandmaster Jan Timman won against Russian Artur Yusupov in their fourth game after 31 moves and two hours of play to round the match score at two games

Yusupov played a Russian defence, as in his seconda game, but came under time pressure and lost a pawn, giving Timman the chance for checkmate. Yusupov then resigned the match.

### Chang on course in HK Open

HONG KONG, Apr 17 Chinese-American Michael Chang took a step nearer fulfilling his ambition of winning the Hong Kong Open with an accomplished straight sets victory over Jim Grabb in the second round on Thrusday, reports Reuter.

Chang, 20, is a hero figure in Hong Kong and was mobbed by hundreds of girl fans after his 6-2, 6-4 win over American Grabb.

He found the lines with impressive regularity and the number three seed's winners were met with screams of delight from his youthful supporter.

"I would like to win here before 1997, otherwise it might be a bit more difficult," said Chang, with reference to Hong Kong's handover to China. "I like playing here and the attention I receive."

World number one Jim Courier avenged his defeat by Gary Muller in the 1990 US Open by crushing the extrovert South African 6-2, 6-1 in the quarter-finals on Friday, "I was murdered out there,"

was Muller's accurate summing up of his defeat. Courier, winner of the

Japan Open last week, will play fourth seed Brad Gilbert in Saturday's semifinal. Gilbert, ranked 21, came from a set behind to defeat

Japanese Shuzo Matsuoka 4-6, 7-6, 6-1.

## Wessels' dilemma: To bat or not to bat

BRIDGETOWN, Apr 17 : South Africa face a dilemma if they win the toss on their momentous

return to Test cricket on Saturday, reports Reuter. The touring team are still

undecided what to do should captain Kepler Wessels call correctly when the political talk ends and the action begins in their inaugural five-day Test against West Indies.

The South Africans will be sorely tempted to unleash paceman Allan Donald on the grassy Kensington Oval strip. But history - West Indies

have not lost a Test here for 57 years — and a Transatlantic phone call to coach Mike Procter suggest that any side winning the toss should take first knock.

Procter spoke by phone on Thursday to Steve Coverdale, manager of the recent England A tour to the Caribbean. "He didn't even say hello,"

Procter said. "He just said You've got bat. Last year Australia shot out

West Indies on the first day of the Barbados Test, yet still ended up convincing losers. The pitch, lively at first,

tends to become a perfect batting surface on the second and third days, before getting steadily slower and lower in the latter stages.

Whatever thunderbolts Donald produces, South Africa know they have to perform with the bat to stand a chance of a result against a West Indes side with plenty to prove themselves

Their fast bowlers have to deal with tougher laws on short-pitched bowling and like the South African, they have been force-fed a constant diet of one-day cricket since the start of the year.

Indies have lost at Kensington Oval was a rain-affected affair in 1935. They have won their last 10 Tests on the ground. That sort of statistic is daunting enough for and team,

let alone a South African side for whom five-day cricket is largely a mystery. Ali Bacher, managing director of the United Cricket

Board of South Africa, has said the team's results are of less importance than the warm welcome they have received in the Caribbean. Cricket rather than politics, though, is what the touring

team would like to be remembered by when the Ballyhoo of their re-acceptance to world cricket has died down. "Everyone is assuming the

game will fail to last five days after we lost the three onedayers," said Procter.

But I believe we have a side capable of providing an upset. Their batting is not as strong as it might be and can be a little bit suspect." "We've got guys who can oc-
