Mohammad Mosharraf Hossain, President, Bangladesh Garment Manufacturers and Exporters Association (BGMEA) delivering inaugural speech at a discussion meeting with the US Ambassador to Bangladesh William B Milam at BGMEA office on May 13. Michal McNaull, Commercial Counsellor of the US embassy and Mohammad Fazlul Azim, First Vice-President, BGMEA were present. They discussed various issues on garment exports to

US entrepreneurs to be invited to invest

# Milam terms garments sector as key industry

US Ambassador William B Milam Wednesday described Bangladesh's garments manu facturing sector as the key industry of the country, reports

"The sector is certainly the harbinger of future and is potent to lead the country towards a bright future," Milam said while addressing the members of Bangladesh Garments Manufacturers and Exporters Association (BGMEA) at its office premises in Dhaka.

He said continued growth of this export-led sector could help the country to get out of the victous cycle of low level poverty trap.

Lauding the entrepreneurs whose efforts had made the sector a booming and viable one, Milam said this was the "leading and best example" to repose confidence on the

"It is on your shoulder the future of the country lay, he told the BGMEA members and added it was encouraging to see that Bangladesh products were competing in the world

Ambassador hoped that protectionism in textile would be eliminated in phases with the successful conclusion of the current Uruguay Round of GATT trade talks.

Milam also replied to queries made by the garments manufacturers and exporter. BGMEA President Md

Mosharraf Hussain also spoke on the occasion. Earlier, Milam went round

different sections of the BGMEA office situated at Bastra Bhaban at Kawran Bazar and saw the facilities offered there to its members including computerised data base and quota and trade information.

Welcoming Milam, the BGMEA president said today Bangladesh is a major supplier of apparel to the USA and starting with an export carning of six hundred thousand dollar in the late seventies. The phenomenal growth of the industry had created a history by carning over one billion US dollar from its exports during the current year.

Hussain said 56 per cent of Bangladesh's garment exports go to the USA, 36 per cent to the EBC, three per cent to Canada and rest to the other countries.

Dwelling on the immense possibilities of further growth of the garments industry in Bangladesh, the BGMEA president said, "our aim is to achieve an export target of three billion US dollar by

He said US entrepreneurs would be welcomed to invest in Bangladesh's textile sector for which there is prevailing market of over 600 million dollar which could expand to about two billion dollar within the next few years.

Hussain said Bangladesh exports about fifty categories of garments to the USA of which 28 categories were under

The BGMEA chief also pleaded for raising the quota level for Bangladesh and recalled Prime Minister Begum Khaleda Zia's request made to President Bush in this regard during her recent visit to Washington.

Hussain said Bangladesh deserved a substantial rise in quota because of its participation in the US efforts in the Gulf War and also restoration of democracy in Bangladesh. He cited the raising of quota for Turkey and Philippines on similar grounds.

#### Training course for prevention of drug abuse begins May 17 First International Training
