People to be motivated for resource mobilisation

Discipline a must to boost industrial output, says Huda

lishment Mohammad Nurul the seminar while Dr Attur Huda Thursday called upon the Rahman and Dr Ahmed Ismail politicians, intellectuals, engi neers and elites of the society to motivate the people in their own way for local resources mobilisation, reports BSS.

He said we should get rid of curse of collecting conditional foreign loan for the sake of national integrity and sovereignty.

Huda was inaugurating a seminar titled "Problems and Prospects of Chemical Industries: Bangladesh aspect" at the BCIC auditorium in the city. Abu Zafar Mahmood pre-

sented the key note paper in Mostafa took part in the dis cussion. The seminar was or ganised by the BCIC Diploma Engineers Association.

The state minister said the government did not want to run the country depending on foreign donation Everyone have to realise the sincere approach of the government to come out from the victous circle of poverty, he added.

Huda said maintaining dis cipline in the industrial sector is a must for unhindered growth of industry product.

This type of seminar would help build a slogan to increase industrial output, he hoped.

He said we should move unitedly in implementing de velopment programmes so that our posterity could be grown up in a healthy environment. He said, patriotism should be placed at the top in any individual and group thinking and policy formulating discussion He called upon the diploma engineers of BCIC to devote themselves in increasing quantum of products in their enterprises so that they could act as a profitable organisa
