He was addressing a meeting of the national committee for the development of the mineral resources available in the seashore here. Committee members former Minister Dr R A Gani, journalist Gias Kamal Chowdhury, Arefin Badal, O H Kabir, Lutfar Rahman and Chowdhury Bufad Ahmed were present at the meeting. Attomic Energy Commission Chairman Dr M A Mannan was also present.

The meeting was informed that there are about 18 lakh prospective mineral resources including zircon, monaite and magnetite in 17 pockets of Cox's Bazar district

It was also informed that these mineral resources being used on a limited scale in some industries of the country. Due to paucity of funds the planned extraction and production of these mineral resources are not being possible.

Earlier, the committee members visited some mineral resourceful areas in Cox's Bazar and Teknaf.

An official handout said BNP government had set up a project at Cox's Bazar in 1979 to extract mineral resources from the coastal areas but during

the autocratic regime the proall on a sudden.

The present BNP government assuming power has again initiated the process to reopen the project. Prime Minister Begum Khaleda Zia has formed a national commit tee led by Minister Dr Khondoker Mosharraf Hossain for this purpose and the committee is now making on the spot survey. The committee is expected to submit its report to the government very soon.

#### Engineers asked to work for uplift

Agriculture, Irrigation, Water Resources and Flood Control Minister M Majid-ul-Huq said here yesterday that the people in the last general elections had given their verdict in favour of nationalist forces as a result of which the BNP got the majority, reports

Addressing the general meeting of the Association of Engineers, Bangladesh (AEB) at the Institution of Engineers the minister said the wave of democracy and the spirit of nationalism had gripped the world and such development was evident in the eastern Europe where new countries emerged on the basis of na-

Presided over by engineer L K Siddiqui MP, the meeting was addressed among others by Manzurul Ahsan Munshi MP. M A Razzak, Chairman of Water Development Board and Kazi Fazlul Karim, General Secretary of Engineering University Central Students Union (EUCSU).

Majid-ul-Huq welcomed the initiative to establish AEB.

He urged the engineers to work for national development with a total commitment

The minister cautioned the engineers against the anti-na tionalist forces who, he said, were out to disrupt social

Referring to the demands of the engineers the minister said the government was aware of their problems but, he added, steps were being taken to redress those gradually.

Speaking about the problems that she faced at work, she said that all the workers could not work in time. due to unscheduled "hartals"; the employees' socalled "sudden illnesses"; and the constant state of present unrest in town, as regards transport. Husneara said that she must supervise all the work herself or the

What inspired her to go into the boutique business? All the girls and women wear such beautiful shalwarkameez' that I got inspired into trying my own hand. "she replied.

Did she believe that she was unique in any way with her "kurtas" and "kameezes" with and sans 'kallis' -along with her other assortment of accoutrements? "It is my personal belief that every designer is different, and has something new to offer," she replied.

Going by the prices of most of the clothes, which ranged from Tk. 1,400 and less to Tk 2,000, one found the prices reasonable. The designs and materials were also glamorous.

The designers' favourite item for sale was a 4-piece set. The "kameez" had 4 "kallis" with cutwork. The slip beneach, in cotton, had black dots on white, and the overall effect was gorgeous - as the main dress was a
