JSD (Rab) demand day Feb 3

Jatiya Samajtantrik Dal (JSD) led by A S M Abdur Rab will observe 'Demand Day' on February 3 to press for realisation of its 6 point demand, reports UNB.

The demands include establishment of a 500 seat parliament, amendment of the constitution and ban of communal politics.

Addressing a news conference at National Press Club yesterday afternoon, Rab said his party will mobilise public support in favour of its 6-point demand as well as formation of a coalition government.

Rab, a loyal opposition leader in parliament during the autocratic regime of Ershad, said the present parliament has failed to give solution to any national problems.

He was critical of the ruling BNP, saying that it demonstrated utter incompetence and inefficiency in increasing production, investment and security to public life.

The meek foreign policy of BNP also fails to bring about settlement of outstanding bilateral issues including Rohingya refugee and water sharing at Farakka.

Rab, secretary general of the party, accused the ruling BNP of distorting the history of liberation in a planned way and backing fundamentalist-communal forces.

In reply to a question, Rab said there has been no organisational link with Sirajul Alam Khan.

Sufia Kamal opens Mahila Parishad confce Women to be vocal against injustice

By Staff Correspondent

Hegum Sufia Kamal, a poet and pioneer in the women's movement yesterday called upon the women of the country to be vocal against all sorts of injustice and exploitation.

She said that the country had been flooded with enormous incidents of injustice and exploitation. Authoritarianism at almost every aspect had gripped the people of the country, she added.

Sufia Kamal was inaugurating as chief guest the eighth conference of Bangladesh Mahila Parishad Dhaka City unit yesterday morning at the Institution of Engineers, Bangladesh (IEB). Dr Anisuzzaman attended the function as the special guest.

Focusing on the works of Begum Rokeya, Sufia Kamal said that the womenfolk would have to come forward for protecting the rights of themselves as well as the humanity upholding the ideal of the great lady.

Referring to the demand of trial of 'War Criminal' Golam Azam, she said he must be tried for his activities during the War of Independence.

Ruling out the logic of not handling such matters after a long 20 years of the independence, she said Golam Azam might be prosecuted even after 100 years of independence.

Dr Anisuzzaman stressed the need for creating awareness among the women about their rights and said mere law was not enough to protect the women from repression and exploitation.
