future," he said.

Speakers urge int'l community

Exert pressure on Israel to halt persecution of Palestinians

Speakers at a seminar here yesterday urged the international community to exert pressure on Israel for halting persecution of the Palestinians for the success of Middle East peace initiative launched after the Gulf War and sponsored by the United States and Russia. reports UNB.

The international community should adopt an "evenhanded" policy in implementing the United Nations resolutions with regard to the legitimate rights of the Palestinians, they said referring to the use of force by the US-led allies towards Iraq.

The recent deportation of 415 Palestinians from their homeland was the latest barbaric act committed by Israel, casting a dark shadow over the peace process in the region. observed the participants at the seminar on "past, present and future of Palestine"
