Shun politics of division to build better country: Saifur

Finance Minister M Saifur Rahman yesterday said the government is taking all possible steps to groom up children as responsible citizens to guide the nation towards peace, progress and prosperity, reports UNB.

He was addressing as chief guest at the concluding function of a week-long "Shishu Anandamela" organised by Shishu Academy welcoming the Bangla new year 1400, the last year of the 14th century.

Saifur urged upon all to learn from this century and shun politics of division and differences and build a better and prosperous Bangladesh for the future generation.

The Finance Minister said the present century was the most significant one in the human civilisation as it had witnessed political turmoil with two world wars and rise of ideological division in the name of socialism and capitalism. "These major ideological differences sank in the same century."

Recalling the contribution of late President Ziaur Rahman for the welfare of the children, the Finance Minister said the government of Prime Minister Begum Khaleda Zia is also aware of the needs of the children.

To provide the children with proper education she has placed the primary education department under the supervision of the Prime Minister's office, he added.

Addressing the function, Social Welfare and Women's Affairs Minister Tariqul Islam recalled the contribution of Shaheed President Ziaur Rahman who founded the Shishu Academy for the welfare of the children.

Presided over by Secretary of the Ministry of Social Welfare and Women's Affairs Dr KM Fariduddin the meeting was also addressed chairperson of Shishu Academy Dr Kazi Anwara Mansur.
