Pakistan paceman Wagar Younis struck two quick blows to reduce the West Indies to 47 for two in

their second in nings at tea on the fourth day of the third and final Test at St John's, Antigua, according to Star TV monitored in Dhaka late last night.

When tea was taken, veteran opener Desmond Haynes and young prodigy Brian Lara were at the crease.

Younis, the Pakistan vicecaptain, momentarily silenced the Antiguan crowd, cheering the home side on for another win, when he uprooted Phil Simmons' wicket for 17.

Richie Richardson did not have the time to settle down as he went for a duck after the Pakistan paceman had him trapped leg before.

Earlier, heavy morning rain delayed the start of the fourth day's play.

Not an over was bowled before lunch.

Earlier on an AFP report said, a mature innings of 123 by 23-year-old Inzamamul-Haq, his first century in eleven Tests, saved Pakistan from being made to follow-on by the West Indies in the third cricket Test.

Pakistan, replying to West Indies' massive first innings total of 438, were all out for 326 just before the close of play on the third day giving themselves a fair chance of forcing a draw.

The danger of Pakistan being made to follow-on persisted until they had lost eight wickets. At that point, they were still 12 runs short of safety but Inzamam, who had just before survived a chance, found a stubborn partner in Nadim Khan who was making his Test debut.

The two put on 96 to establish a new Pakistani record for a ninth-wicket partnership against the West Indies. The previous best was 74 set by Wasim Raja and Sarfraz Nawaz

Seles to meet newsmen

VAIL, Colo. May 5: Monica Seles, incommunicado since leaving Hamburg, Germany, after being stabbed by a spectator at a tournament last week, has scheduled a news conference Wednesday in this Rocky Mountain ski resort, reports

Seles will meet with reporters at the Steadman Hawkins Clinic's conference room, said Linda Dozoretz of International Management Group in Cleveland, which handles publicity for entertainers and athletes. Seles' agent, Bob Kane, and her doctor will also be present, Dozoretz said

Clinic officials have been close-mouthed about Seles' treatment and whereabouts.

The 19-year-old tennis star was stabbed in the back by a spectator last Friday at the Hamburg Citizens Cup.

She flew into Vail on Sunday night for treatment at the noted sports clinic.

The Steadman clinic is extremely protective of its elite sports clientele, which recently has included German soccer star Lothar Matthaeus for knee surgery, Keith Millard of the Minnesota Vikings Leslie O'Neal of the San Diego Chargers and skier A J Kitt.

Seles was treated at the Steadman clinic for a stress fracture of her leg in 1991.

The clinic traditionally issues a news release after sports celebrities depart.

Doctors say although Seles' injury does not seem serious, she may miss up to three months of tennis.

many, May 5: Michael Chang Tuesday became the latest big-

name victim of 22-year-old German Marc Goellner when he was beaten 5-7, 6-4, 6-3 in the 2nd round of the German Open in

Hamburg, reports AFP. Goellner, who first made his mark by defeating Stefan Edberg and Ivan Lendl to win the Nice Open last month, withstood a determined challenge from the 5th seeded American, who was playing his first tournament on clay this

Chang in trouble from the start, and for a long period the American could do little more than return it into play.

point as the 2nd set got underway, broke for 3-1 but allowed Chang to break back. He then took a 4-2 lead

with a lob, dropped his serve at 5-3 but reached set point with a cross court winner. Chang buried a double-handed backhander to lose the set. Chang once again had the

chance to break when the final set began but he squandered three break points and was made to pay when Goellner broke his serve to lead 5-3.

The American won a break point in the final game but Goellner's big serve pulled him out of trouble.

"I had quite a few opportunities to win the match," Chang confessed afterwards.

"But I didn't convert them. "My return was a little too

short and that was a major problem, but I shall go away and work on a few things to get ready for Rome next week and the French Open."

He admitted he had never heard of Goellner until his win in Nice but was impressed with what he saw.

"He has a very big forehand and he served well," Chang praised. "But if I had won a few key points in the 2nd set it could have gone either way."

Woodforde gives in to Tampa heat

TAMPA, Florida, May 5: Heat exhaustion finally forced top-seeded Australian Mark Woodforde to retire from his rain-interrupted first-round match at the 250,000 dollar ATP event here Tuesday, reports AFP

Woodforde was facing a third deuce in the fifth game of the finals against American Patrick McEnroe when he walked off court and buried

his head in a towel. It felt like a furnace out there, said the 27-year-old from Adelaide who was playing for the first time since having to retire with an identical problem from the South

African Open on March 31. I guess the guys from Florida can put up with this humidity. Little old me from Australia can't, he said.

The heat is always tough for me because I'm red-headed and fair-skinned.

Woodforde, who was topseeded for the first time in his career, came to within two points of victory when he led 5-4 in the second-set tie-

The match had been halted by rain with Woodforde leading 6-3, 2-3 on Monday.

I could tell he was hurting in the third set, said McEnroe after his win.

"He was going for winners every time."

WBA title

DENVER, Colorado, May 5: Reggie Johnson of the United States retained his World Boxing Association (WBA) middleweight crown here on Tuesday when he outpointed substitute challenger Wayne Harris of Guyana over twelve rounds, reports AFP. Johnson, who was defend-

ing his title for the third time, now has a record of 34 wins against two defeats and one draw.

Harris, who came in to replace scheduled opponent Jorge Castro of Argentina at

less than one week's notice. has now won 19 and lost six bouts. It was a unanimous decision

with the judges scoring it 120-109, 120-108 and 120-110 in favour of the champion.

But Johnson, who took his title by beating Ireland's Steve Collins in April 1992, was clearly frustrated at not being

able to finish it earlier. Harris, 29, was called in to replace Castro after the

Argentinian had to pull out be cause of an elbow injury.
