

The Chittagong Port Authority Notice for Removal of Empty Containers

Whereas the Chittagong Port Authority, despite limited capacity of the container yards, had been allowing shipping lines to keep empty containers till its removal by them and whereas the number of empty containers having increased beyond the holding capacity of the port, it is no longer possible to allow storage of empty containers for indefinite period.

In the circumstances, it is notified for information of all concerned that penal rent shall be imposed w.e.f. 01-8-1993 at four times the usual slab rates on all empty containers lying over 28 (Twenty Eight) days on that date and thereafter. It is pointed out here that penal rent shall be leviable for the Containers which are lying in the Port premises on the date of imposition of said penal rent and thereafter and under no circumstances penal rent is leviable on the first slab.

All concerned are therefore, requested to remove their empty containers out from Chittagong Port at the earliest.
