Coal reserve stands at 2100m tons: JS told

There are some 2100 million tons of coal reserve in the country. Energy and Mineral Resources Minister Dr Khandaker Mosharraf Hossain said in Parliament yesterday. reports UNB.

Replying to a question from Md Rahmat Ali (AL), the minister said implementation work in Barapukuria Coal Mine Project, funded by China, will, begin from the current financial year.

Annual coal production from Barapukuria will be 1 million tons, he said adding that an agreement had been signed on February 7 between a Chinese consortium and the Petro Bangla in this regard.

Dr Mosharraf said the lion's share of the extracted coal will be used for power generation. There are also reserve of

170 million, 300 million and 28 million tons of pit coal, limestone and china clay in the country, the minister informed the House.

He said steps had been taken to extract mineral resources so far discovered in the country. Cement and ceramic industries under Bangladesh Chemical Industries Corporation (BCIC) and the private sector have been using our own limestone and china clay, he said.

Projects have been undertaken to study the viability of extracting coal from Khalashpir mine in Rangpur and experimental extraction of pit coal from Bil-Baghia at Madaripur was also taken up. Dr Mosharraf said.

2836 electric transformers stolen

Some 2,836 electric transformers of PDB, REB and DESA were stolen in five years till 1993, Parliament was informed yesterday.
