Notice for Admission

Applications are invited for admission into the nineteenth batch of the "Course on Scientific Instrumentation" for the session 1994-95. This certificate course will run for a duration of 42 weeks starting from July 2, 1994. Intensive training programme is offered in the field of applied electronics and instrumentation covering lectures and laboratory experiments. The syllabus includes details of Circuit theory, Analog & Digital Electronics, Industrial Electronics & Instrumentation, Microprocessors & Micro-computer technology and applications among other relevant topics. This is a specialized course aimed at preparing the candidates for a professional career in Electronic Instrumentation with up-to-date knowledge and hands-on experiences.

The minimum qualification for admission is B. Sc. (Physics/Applied Physics and Electronics) or Diploma (Electronics/Electrical Engineering). Application on plain paper along with complete bio-data, attested copies of certificates and two passport size photographs should reach the Institute within 15-6-94. The candidates in service must apply through proper channel and would be considered for direct admission. Other applicants should appear for an admission test on 23-6-94 at 10 am in the Institute. No separate interview card will be issued. For details please contact the Institute.
