## Int'l forum on power sector . begins tomorrow

Francaise gallery in the city yesterday.

A five-day international forum begins in the city tomorrow with the participation of experts and donors to prepare the ground for private investment in the country's power sector, reports UNB.

#### Arrest protested

By Staff Correspondent

The pro-JSD (Inu) Bangladesh Chhatra League yesterday protested the arrest of its farmer Bogra town president Md Selim under the Anti-Terrorism Act.

In a statement, the BCL president and general secretary said the government is repressing the opposition with black laws. They also demanded immediate release of Selim.

Dated: 5.5.1994.

## 'Slash size of govt to alleviate poverty'

A prominent economist of the country has advocated slashing down the size of the government to make available more funds for poverty alleviation programme and human resources development activities, reports BSS.

Dr Abdul Gafur, research di rector of the Bangladesh Institute of Development Studies (BIDS) said greater concentration on core activities may lead to reduction of the size of the government significantly. This, he said, will leave the government with more resources for poverty alleviation programme, health care, education and physical infrastructure.

Speaking on the role of the government in the context of free economy, Dr Gafur said experience of South Asia showed that government intervention, instead of making market more efficient, created a lot more distortion in the economy and made it less conducive to investment.

Dr Gafur was presenting a paper Thursday on 'Development Strategy of Bangladesh and a Preview of National Budget 1994-95' at the Planning and Development Aca-

demy. Organised by the Bangladeshi Unnayan Parishad (BUP), the presentation was chaired by Quazi Khalequzzaman.

Former adviser of the government A M A Muhith. former planning minister Dr Fashiuddin Mahtab, former cabinet secretary Mujibul Haq. former ambassador Waliur Rahman and former additional secretary of commerce Aminul Haq Chowdhury participated in the discussions on the paper.

State Minister for Irrigation. Water Resources and Flood Control Mosharraf Hossain Shahjahan was the chief

While observing that the size and composition of the government expenditure was not consistent with its development strategy, Dr Gafur said if the objective was to compete with rest of the world, then very little is spent on education, technology development and physical infrastructure. With the signing of the GATT access to Western technology will be a lot expensive, he said adding hence the emphasis be given on human resource development.

Maestro Azad Rahman regaled a selected audience yesterday evening here with the presentation of the classical 'raga' on piano, reports BSS.

Foreign Minister A S M Mostafizur Rahman was chief guest while industrialist Aga Yusuf was special guest on the. occasion held at the American School Auditorium.

Traditional subcontinental 'raga' on piano by Bangladeshi musician has created enormous interest not only within the country but also in Western world.

"This is an interesting innovation of music," Foreign Minister Mostafizur Rahman said adding that he was happy to note that German orchestra group fascinated by Rahman's creation and presentation has already adapted his composition in their orchestra.
