Minister for Information Nazmul Huda met with the chief of Voice of America (VOA), Geoffrey Cowan Friday at the VOA headquarters in Washington, according to a message received here, reports BSS.

They discussed various aspects of cooperation between Bangladesh Radio and Television and the Voice of America. During the discussions, Co-

wan proposed that the Voice of America would be interested to introduce a weekly of biweekly VOA Bangla news broadcasts and development programmes on Bangladesh Television. The minister welcomed the proposal and said it could be examined and worked out between the two sides.

Both of them discussed the proposed agreement for VOA broadcasts on FM channel in Bangladesh. It was agreed that a VOA official would be visiting Bangladesh soon to finalise discussions on 'the proposed agreement.

The Information Minister

told the VOA chief that its programmes were extremely popular in Bangladesh and added that the constructive and unbiased reporting of the VOA had earned the trust and confidence of the people of Bangladesh. He said the objective re-

porting of the VOA during the movement for democracy had served as inspiration to the people of Bangladesh at a time when the national media was stifled under the autocratic regime. Cowan said he was fully

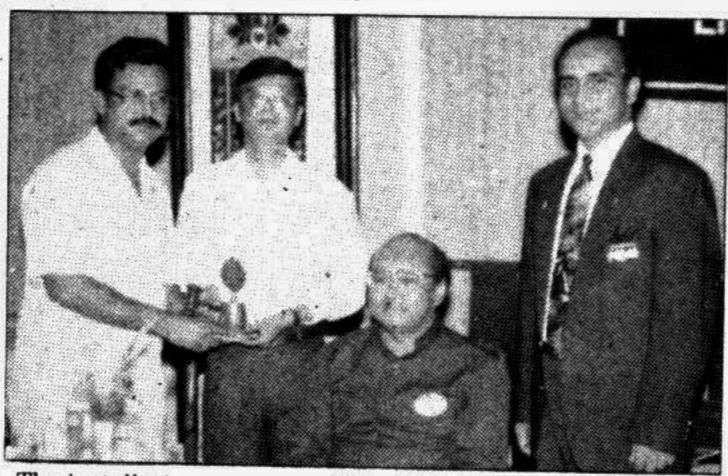

aware of the popularity of VOA programmes in Bangladesh and added that Bangladeshi listeners were among the best in the entire VOA network. The VOA chief welcomed a

proposal from the Bangladesh minister for VOA and Radio Bangladesh to jointly collaborate in the production of Bangla dramas and feature programmes. Cowan said that the proposal was an excellent one and

the two sides could discuss it further at the official levels.
