Call to continue agitation for trial of Azam

By Staff Correspondent

Leaders of different political parties, socio-cultural organi sations and student bodies Thursday called for continuing the agitation for the trial of Jamaat leader Golam Azam as a war criminal

Workers' Party general secretary Rashed Khan Menon, MP said the people would never accept

Golam Azam whom he alleged the government was patronis-

The court's verdict, restoring Azam's citizenship, would not bar the trial of the Jamaat leader as a war criminal under the law of the land, Menon told a meeting of sugarcane farmers at his Topkhana Road office on Wednesday evening.

The Bangladesher Samaj tantrik Dal (BSD) convenor Kholeguzzaman in a statement said the issue of citizenship of Golam Azam never came up during the agitation for trial of Azam as a war criminal. "Because, citizenship is not the matrix of measuring war crimes. That's why, the citizenship issue was not taken into consideration when Azam was tried by the People's Court," the BSD leader explained.

Zaman further said the citizenship issue was not consid-

ered while war criminals were being tried throughout the world. The government and the Jamaat were talking about the citizenship issue, with the intention to foil the trial of Azam, he added.

Muktijoddha Sangsad leader Principal Abdul Ahad Choudhury told The Daily Star over telephone that Golam Azam was found guilty of war crimes in the People's Court.

The people gave their verdict against Golam Azam and they were now awaiting the execution of his death sentence by the authorities, he

The Ghatak Dalal Nirmul Samannaya Committee leaders at a meeting resolved that Golam Azam's getting citizenship cannot prevent his trial as a war criminal

The people of the country had been agitating for the last three years for Azam's trial as a 'war criminal', and the issue of his citizenship had no link with the agitation, they said.

Chaired by Kazi Aref Ahmed, the meeting was attended by Prof Abdul Mannan Choudhury, Ahad Choudhury, Lt. Col. (Retd) Abu Osman Choudhury, Habibur Rahman Khan and others.
