

Peasants to get fertiliser at fair price, JS told

Industries Minister Zahiruddin Khan yesterday assured the Jatiya Sangsad that fertilisers produced in the country would be sold to the peasants at fair price in the next Aman season, reports BSS.

He said to ensure availability of urea fertiliser at fair price, the industry Ministry had taken steps to stop advance booking of fertiliser with the producing mills by bid traders who used to play with the price of urea in the past.

Earlier, making a statement

on a private member resolution by BNP member Sardar Sakhwat Hossain Bakul, the Minister for Agriculture, Irrigation and Water Resources Major General (ret'd) Majed-ul-Haq informed the House that steps were taken this year to create buffer stock of urea fertiliser at different places to stabilise its price in time of any crisis.

He said that the BNP government under the leadership of Begum Khaleda Zia had reduced the price of urea twice including this year to pass on the benefit to the farmers.

The Agriculture Minister, however, said that price of other variety of fertilisers like TSP and murate of potash which were mostly imported depended on the international market and were being sold on the basis of import price.

Major General Haq informed the House that close monitoring on the availability of fertilisers and their prices would be maintained this year through local bodies.

Later, Bakul withdrew his resolution.

Prof Razzaq to undergo surgery

National Professor Abdur Razzaq, 84, has been suffering from various complications and is expected to undergo an operation in hernia very soon at the Elizabeth Hospital in Singapore, his family sources said.

Meanwhile, the professor underwent an operation in his left eye yesterday while his right eye is likely to be operated within next three days.

According to his family sources, Prof Razzaq would also receive treatment for his 'sick lungs' at the Elizabeth Hospital. He is expected to return home on July 10.

Aga Khan Edn Service confce begins

The 14th annual international conference of the Aga Khan Education Service began yesterday at a local hotel in the city, reports UNB.

Delegates and observers from USA, Canada, France, Switzerland, Kenya, Tanzania, Uganda, Syria, India, Pakistan and home country are participating in the conference.

The Aga Khan Education Service operates over 300 schools — including one in Dhaka — providing education to over 45,000 students worldwide as part of the Aga Khan Development Network.

Jamaat activists brought out a procession brandishing sticks during the hartal hours in the city yesterday.

Newsman assaulted

Tajul Islam, staff reporter of daily Al-Muzaddedi, was roughed up by some pickets during the hartal yesterday.

Islam told UNB after receiving treatment at Dhaka Medical College Hospital that he was beaten up by the activists of Nirmul Committee at Tophkhana Road and his motor bike damaged.

Clad in pajama-punjabee bearded Tajul said he was mistaken as a Jamaat activist. Some passers-by sent him to DMCH with head injury.

Editor of his paper Mustafa Ameer Faisal condemned the attack on Tajul, calling it an attack on the freedom of press.

150 days unscheduled closure in JU '93-'94 session

Jahangirnagar University was closed for 231 days in 1993-94 session, reports UNB.

Education Minister Barrister Jamiruddin Sircar told this in the Parliament yesterday while replying to a written question from Hafeza Asma Khatun.

The Education Minister said of the total closure, 150 days were unscheduled and 81 days were scheduled closure. During the session, classes were held on only 134 days.

Barrister Sircar said in the same session, the number of unscheduled closure in Islamic University was 20 days, Rajshahi University 38 days, Dhaka University and Bangladesh University of Engineering and Technology (BUET) both 18 days.

There were no unscheduled closure in Chittagong University, Bangladesh Agricultural University (BAU), Shahjalal Science and Technology University and Khulna University, the Education Minister added.

Consideration of Family Laws Bill deferred again

The consideration of the pending Muslim Family Laws (amendment) Bill, 1993, was deferred once again yesterday for the fourth time, reports BSS.

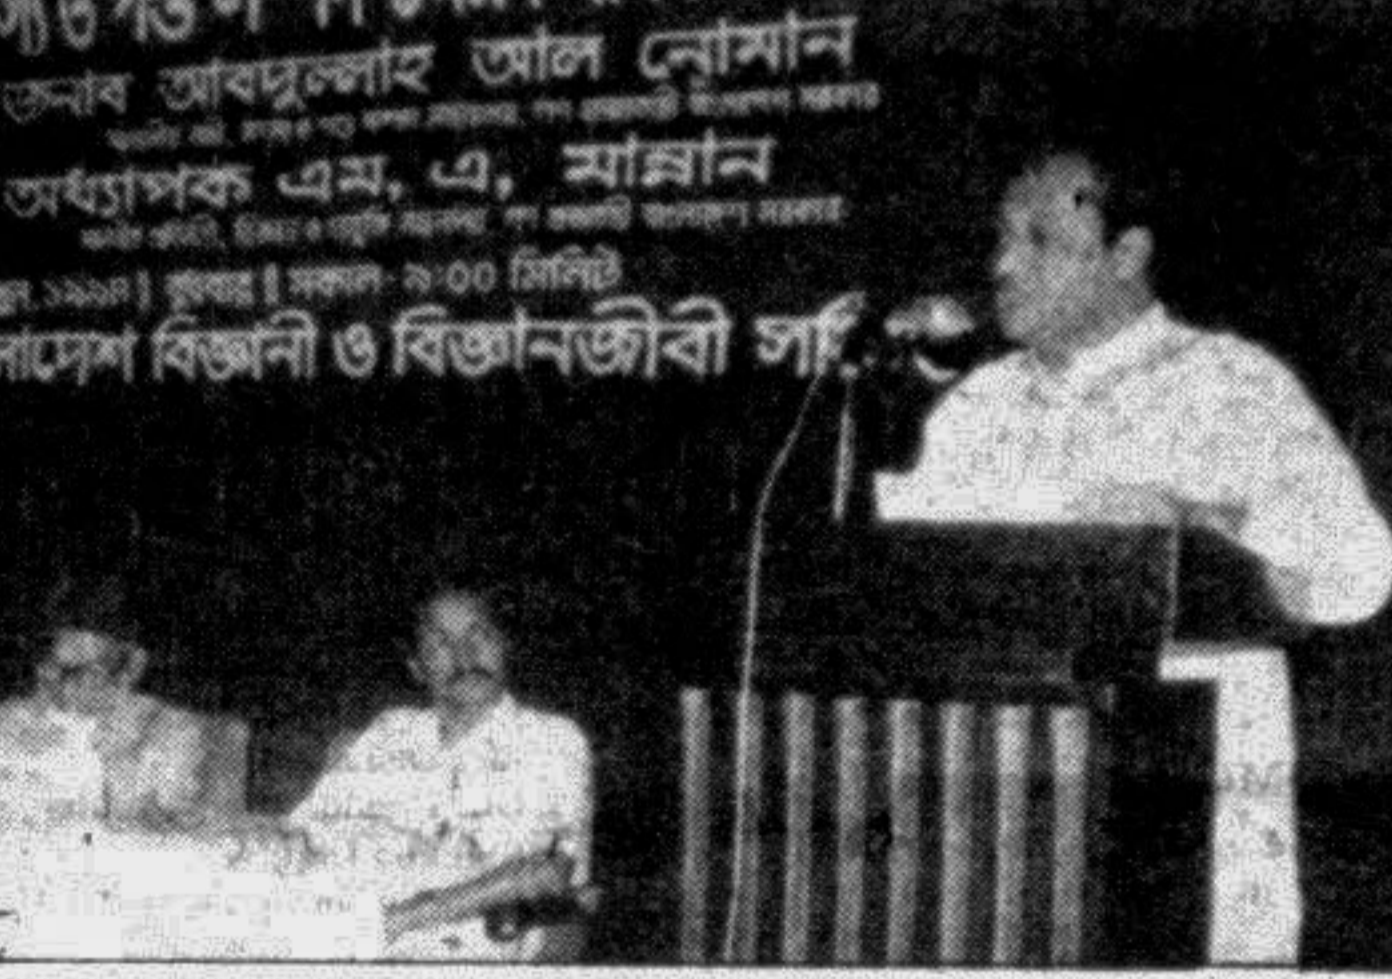

The private member bill brought by Treasury Bench member Farida Rahman sought to amend the Muslim Family Laws Ordinance, 1961 relating to the procedure to settle a divorce case.

As the speaker took up legislative business after question-answer hour and gave the floor to Farida Rahman to move her bill for consideration, she told the House that the Law Minister had assured her of considering the bill along with another amendment bill relating to some family laws ordinance, which is under consideration of the select committee on private members bills.

Law, Justice and Parliamentary Affairs Minister Mirza Gohar Hafez said that another bill submitted by Mrs Rahman was pending with the select committee. Since both bills were involved with the same Muslim Family Laws, it would be better to consider them together.

Chief Whip Khondkar Dewar at this stage suggested that the Speaker could give a decision deferring the bill.

Speaker Shaikh Razzak Ali then deferred the bill again.

Fisheries and Livestock Minister Abdullah Al-Noman addressing as chief guest the inaugural function of a seminar on "Development of Fisheries and Livestock in Bangladesh" in the city Wednesday.

Scientific research for economy underscored

Minister for Fisheries and Livestock Abdullah Al Noman Wednesday underscored the importance of scientific research for economy and said research was key to national development in various fields, reports BSS.

He mentioned that results of those laborious research work of the scientists are being enjoyed by everyone in the society.

The fisheries minister was addressing as chief guest at the inaugural function of a seminar on "Development of Fisheries and Livestock in Bangladesh" at the auditorium of Bangladesh Agricultural Research Council, Bangladesh Association of Scientists and Scientific Professions organised the seminar, which was followed by the annual meeting of the association.

The function which was addressed, by State Minister for Science and Technology Prof M A Mannan and was chaired by Dr M A Wajed Mia, president of the association.

Former vice chancellor of Bangladesh Agricultural University Prof A K M Aminul Islam and chief scientific officer of Bangladesh Livestock Research Institute Dr Jahangir Alam presented two key-note papers on the occasion.

Noman said scientists can contribute immensely for the development of pisciculture, dairy and poultry farming as these activities are basically technology based. There is a good prospect of fisheries and livestock in the country and this could contribute to the development of national economy.

The minister recalled the personal care and attention of the Prime Minister Begum Khaleda Zia for the expansion and development of pisciculture, dairy and poultry farming aimed at creating a strong infrastructure for the economy. He lauded the initiative and role of the scientists in this field and described their actions as "good gesture" in our national life.

Referring to the suitability of pisciculture, dairy and poultry farming in creating opportunities for self-employment in the process of successful implementation of government's poverty alleviation programme,

Noman said because of various measures taken and facilities provided to the people, a nationwide enthusiasm has been created. The concerned officials must have to be active to reach the primary technical know-how to those interested in this sector to sustain their enthusiasm, the minister said.

State Minister for Science and Technology Prof M A Mannan said scientific research and use of research outcome are imperative for the expansion of planned pisciculture, dairy and poultry farming. He called upon the scientists to maintain close contact with the latest research in different countries and also stressed the production of fodder and treatment in cattle diseases.

In his presidential address, Dr M A Wajed Mia underlined the need for sincerity of the concerned officials in performing their responsibilities so that results of research could reach to the people.

The inaugural function was followed by open discussion on the key-note papers with Dr Sujatullah Chowdhury, executive vice chairman of BARC in the chair.

CHT leaders urge govt to send medical teams

Leaders of the Chittagong Hill Tracts National Coordination and Peace Council have urged the government to send emergency medical teams to the malaria affected areas of the region, reports UNB.

In a joint statement, leaders of the Council said that some people died of malaria in the villages of Khagrachari district.

They alleged that the local health department was informed of the spread of the disease in some 86 cluster villages, but no medical team was yet sent to those areas.

The statement was issued by the Council's President Saiful Islam Dildar, vice presidents S M Rezaul Karim Helal, A K M Maksud Ahmed and Al-Haj Mohammod Ali Mia, Secretary General Subino, Dhaka, joint secretaries Talukder Sahsi Kanti Chakma and Le Anglaana Pankhu.
