3 arrested for pushing a man under running train

JAMALPUR, Sept 13: Rail Police arrested three people on September 5 for pushing a man under a running train two years ago which caused the loss of his right leg, reports UNB.

The arrested are Banesa Begum, second wife of the victim rail porter Abdus Sobhan, her paramour Paltu and another man.

According to police, Paltu and his three other accomplices stopped rail porter Abdus Sobhan and his wife Banesa while they were going to Baushi Rail Station on September 29, 1992. At one stage of altercation they pushed him under the running Jamuna inter-city train.

Abdus Sobhan's first wife Obiron Begum filed a case with Sharishabari thana Magistrate court on October 8, 1992. Later the case was shifted to Jamalpur court. The court directed the rail police to nab the accused.

## Regular use of irrigation facilities stressed

AGRI VARSITY (Mymensingh), Sept 13: Vice-Chancellor Dr Shah Mohammad Faruque underscored the need for regular use of irrigation facilities based on science and technology, reports UNB.

The VC was speaking as chief guest at the concluding day of 10-month long advanced training on "Minor Irrigation Distribution System and Farm Water Management," organised by Graduate Training Institute (GTI) on Sept 5.

Emphasising the need for projecting irrigation system to the farmers properly, Dr Faruque said positive results in agriculture sector could be achieved through the co-

17 students of Gouripur school get scholarship

MYMENSINGH, Sept 13: Gouripur Abdul Wahed Memorial Trust has awarded scholarships to 17 students of the Gouripur Pilot High School, reports UNB.

The trust has given Tk 10,000 to Mushrif Rifaat Lithi for her brilliant results in this year's SSC examination under Dhaka Board. Lithi stood 20th in the combined merit list and 14th among the female students.

Prof AKM Muktadir, Head of the Eye Department of Salimullah Medical College Hospital distributed the scholarships among the students at the simple ceremony on Sept 1.

Gouripur Thana Nirbahi Officer and Pourashava Chairman attended the function as chief and special guests. Chairman of the school managing committee presided. The function was followed by a cultural programme.

62 bottles of phenisidyl seized

From Staff Correspondent BARISAL, Sept 13: The Customs and Excise Department of Barisal has seized 62 bottles of phenisidyl syrup from the roof of a Barisal-bound passenger coach from Khulna at Shikarpur ferry ghat recently.

According to witnesses, a customs inspector, acting on a tip off, challenged the bottles in a gunny bag. But none claimed the ownership.

None was arrested in this connection.

## Compensations for launch disaster victims demanded

CHANDPUR, Sept 13: The Gono Forum demanded compensations for the families of the victims of the Meghna-Dakata launch disaster, reports UNB.

Dr Kamal Hossain gave the call while addressing a public

Pistol recovered, 3 arrested in Rangpur

RANGPUR, Sept 13: Police arrested three people from the Engineering Para of the town and recovered a country made pistol and ammunition from their possession on Sunday, reports UNB.

Acting on a tip, police rushed to the spot, raided the area and nabbed Shakil, Shabu and Rishu. Police recovered the arms and ammunition on the basis of their confession.

A case has been filed in this connection.

## Food for Edn Programme getting good response in Kishoreganj

From Our Correspondent

KISHOREGANJ, Sept 13: A total of 1,971,045 metric tons of wheat were distributed in Kishoreganj district under the Food for Education Programme during the last financial year. The wheat were distributed among the 15,213 poor students of 108 primary schools and nine madrasahs in 13 unions of the district.

According to the District Primary Education Office source, the programme was getting good response from both, students, especially girls and parents. More and more parents were sending their children to schools. The poor villagers are showing more interest on the programme. The parents seemed to realise the value of education.

Girl students were particularly showing greater interest. The attendance of female students in some schools were twice the number of males. In fact, girls respond better than

the boys in class room lessons. "Attendance in the schools have never been better," said one teacher. "We had, at one time, very poor attendance in our school but following implementation of the Food for Education Programme students started to pour in," the teacher added.

Unfortunately, some of the schools lack proper facilities like benches, adequate number of class rooms, black boards etc.

Of the total 78,825 metric tons of wheat were distributed among 661 card-holders of six primary schools and one madrasah in Kastul union of Aastagram thana, 156,885 metric tons distributed among 871 card-holders of six primary schools and one madrasah in Tarail thana, 219,990 metric tons distributed among 1522 card-holders of seven primary schools and one madrasah in Sutarpura union of Karimganj thana, 210 metric tons distributed among 979 card-holders of seven primary schools in Lohajhuri union of Katiadi thana, 108,845 metric tons distributed among 849 card-holders of six primary schools and one madrasah in Sutarpura union of Karimganj thana, 210 metric tons distributed among 1523 card-holders of fourteen primary schools and one madrasah in Kathkun union of Mitamain thana, 87,245 metric tons distributed among 715 card-holders of six primary schools in Bajitpur thana, 139,990 metric tons distributed among 1255 card-holders of twelve primary schools and one madrasah in Chowdashata union of Kishoreganj thana, 184,290 metric tons distributed among 1560 card-holders of five primary schools and one madrasah in Shibpur union of Bhairob thana, 125,715 metric tons distributed among 979 card-holders of seven primary schools in Lohajhuri union of Katiadi thana, 108,845 metric tons distributed among 849 card-holders of six primary schools and one madrasah in Sutarpura union of Karimganj thana, 210 metric tons distributed among 1523 card-holders of fourteen primary schools and one madrasah in Kathkun union of Mitamain thana, 87,245 metric tons distributed among 715 card-holders of six primary schools in Bajitpur thana, 139,990 metric tons distributed among 1255 card-holders of twelve primary schools and one madrasah in Chowdashata union of Kishoreganj thana, 184,290 metric tons distributed among 1560 card-holders of five primary schools and one madrasah in Shibpur union of Bhairob thana, 125,715 metric tons distributed among 979 card-holders of seven primary schools in Lohajhuri union of Katiadi thana, 108,845 metric tons distributed among 849 card-holders of six primary schools and one madrasah in Sutarpura union of Karimganj thana, 210 metric tons distributed among 1523 card-holders of fourteen primary schools and one madrasah in Kathkun union of Mitamain thana, 87,245 metric tons distributed among 715 card-holders of six primary schools in Bajitpur thana, 139,990 metric tons distributed among 1255 card-holders of twelve primary schools and one madrasah in Chowdashata union of Kishoreganj thana, 184,290 metric tons distributed among 1560 card-holders of five primary schools and one madrasah in Shibpur union of Bhairob thana, 125,715 metric tons distributed among 979 card-holders of seven primary schools in Lohajhuri union of Katiadi thana, 108,845 metric tons distributed among 849 card-holders of six primary schools and one madrasah in Sutarpura union of Karimganj thana, 210 metric tons distributed among 1523 card-holders of fourteen primary schools and one madrasah in Kathkun union of Mitamain thana, 87,245 metric tons distributed among 715 card-holders of six primary schools in Bajitpur thana, 139,990 metric tons distributed among 1255 card-holders of twelve primary schools and one madrasah in Chowdashata union of Kishoreganj thana, 184,290 metric tons distributed among 1560 card-holders of five primary schools and one madrasah in Shibpur union of Bhairob thana, 125,715 metric tons distributed among 979 card-holders of seven primary schools in Lohajhuri union of Katiadi thana, 108,845 metric tons distributed among 849 card-holders of six primary schools and one madrasah in Sutarpura union of Karimganj thana, 210 metric tons distributed among 1523 card-holders of fourteen primary schools and one madrasah in Kathkun union of Mitamain thana, 87,245 metric tons distributed among 715 card-holders of six primary schools in Bajitpur thana, 139,990 metric tons distributed among 1255 card-holders of twelve primary schools and one madrasah in Chowdashata union of Kishoreganj thana, 184,290 metric tons distributed among 1560 card-holders of five primary schools and one madrasah in Shibpur union of Bhairob thana, 125,715 metric tons distributed among 979 card-holders of seven primary schools in Lohajhuri union of Katiadi thana, 108,845 metric tons distributed among 849 card-holders of six primary schools and one madrasah in Sutarpura union of Karimganj thana, 210 metric tons distributed among 1523 card-holders of fourteen primary schools and one madrasah in Kathkun union of Mitamain thana, 87,245 metric tons distributed among 715 card-holders of six primary schools in Bajitpur thana, 139,990 metric tons distributed among 1255 card-holders of twelve primary schools and one madrasah in Chowdashata union of Kishoreganj thana, 184,290 metric tons distributed among 1560 card-holders of five primary schools and one madrasah in Shibpur union of Bhairob thana, 125,715 metric tons distributed among 979 card-holders of seven primary schools in Lohajhuri union of Katiadi thana, 108,845 metric tons distributed among 849 card-holders of six primary schools and one madrasah in Sutarpura union of Karimganj thana, 210 metric tons distributed among 1523 card-holders of fourteen primary schools and one madrasah in Kathkun union of Mitamain thana, 87,245 metric tons distributed among 715 card-holders of six primary schools in Bajitpur thana, 139,990 metric tons distributed among 1255 card-holders of twelve primary schools and one madrasah in Chowdashata union of Kishoreganj thana, 184,290 metric tons distributed among 1560 card-holders of five primary schools and one madrasah in Shibpur union of Bhairob thana, 125,715 metric tons distributed among 979 card-holders of seven primary schools in Lohajhuri union of Katiadi thana, 108,845 metric tons distributed among 849 card-holders of six primary schools and one madrasah in Sutarpura union of Karimganj thana, 210 metric tons distributed among 1523 card-holders of fourteen primary schools and one madrasah in Kathkun union of Mitamain thana, 87,245 metric tons distributed among 715 card-holders of six primary schools in Bajitpur thana, 139,990 metric tons distributed among 1255 card-holders of twelve primary schools and one madrasah in Chowdashata union of Kishoreganj thana, 184,290 metric tons distributed among 1560 card-holders of five primary schools and one madrasah in Shibpur union of Bhairob thana, 125,715 metric tons distributed among 979 card-holders of seven primary schools in Lohajhuri union of Katiadi thana, 108,845 metric tons distributed among 849 card-holders of six primary schools and one madrasah in Sutarpura union of Karimganj thana, 210 metric
