

Corrigendum Notice

In the notice inviting application for pre-qualification of contractors/firms vide Rajshahi Water Dev. Circle's Memo No. 2364/50) 5E-64 dt. 28-8-1994 the following amendments are made:

1. In Clause No. 3 of the notice inviting applications where it was mentioned that contractors/firms who successfully completed hydraulic structure in single contract costing Tk 100.00 lac or more for work in Sl 1(a) and Tk 80.00 lac or more for Sl 1(b) are to be substituted for Tk 150.00 lac for the work of Sl 1(a) and Tk 125.00 lac for the work of Sl 1(b) to consider eligibility for submitting application.
 2. Contractors/firms who have successfully completed construction of hydraulic structures as per specification and within scheduled time in the last 10 (ten) years are eligible to submit applications for pre-qualification but evaluation of pre-qualification will be made based on performance of works completed during the last 5 (five) years.
 3. The last date for selling and receiving of the pre-qualification documents is extended up to 02-10-1994 and 06-10-1994 during bank/office hours respectively.
- All other terms and conditions as laid down in the pre-qualification notice will remain unchanged and this notice will form as a part of the documents.

WHO official meets Akbar

Dr Utton Muchatar Rafai, WHO regional director for South East Asia Region called on Environment and Forest Minister Akbar Hossain at his office yesterday, reports UNB. During the meeting the minister upheld some programmes including the tree-plantation programme, taken up by the government.

Weavers to get yarn from BTMC at factory rate

Government has decided to ensure overall welfare of the weavers by providing them with all sorts of facilities. He also instructed them to assess the real number of weavers and looms in the country. This was disclosed at a meeting of the Parliamentary Standing Committee of Ministry of Textiles yesterday with State Minister for Textile Abdul Mannan in the chair. Besides, ten per cent of the yarn of other BTMC mills would also be given to the weavers at fair price. The meeting discussed and reviewed the development activities of Bangladesh Handloom Board and Textile Department. It also stressed the need for proper distribution of yarn to the real weavers of the country. The State Minister instructed the Bangladesh Handloom Board authorities to

Feasibility study for disaster management centre by Oct

The feasibility study for setting up of an Inter-regional Disaster Preparedness Management Centre in Bangladesh will begin by October this year, reports UNB. This was disclosed by Dr Utton Muchtar Rafai, WHO Regional Director for the South-East Asian region, when he called on Health and Family Welfare Minister Chowdhury Kamal Ibne Yousuf in the city yesterday. They discuss matters related to health sector, including AIDS prevention, malaria eradication, EPI programme and other WHO's programmes in Bangladesh. Deputy Minister for Health Sirajul Hoque and high officials of the ministry were present on the occasion.

Padma Bridge Implementation Council's meet

A public meeting was held on Friday under the auspices of Padma Bridge Implementation Council of Ananda Road, Ibrahimpur in the city in order to intensify the movement for implementation of Padma bridge, says a press release. Syed Mohsinur Rahman, a renowned social worker of Ibrahimpur presided over the meeting. Khoka Sikder, Abbasuddin Afsari, Liaqat Hossain Moral, Altah Hossain, Golam Azam Khan, Asmal Ali, Animesh Sen, Ananda Biswas delivered speeches among others at the meeting. The speakers pledged to gear up the movement to implement the Padma Bridge.

3 HYV pulses developed

The Bangladesh Atomic Agriculture Research Institute has developed high yielding varieties of three kinds of pulses — Mugh, Mashkalai and Chhola, reports UNB. The new varieties of pulses will produce 15 to 20 times higher than the existing ones. This was disclosed at a meeting of the council of directors of the institute at the conference room of the Agriculture Ministry yesterday with Agriculture and Water Resources Minister M Majid-ul Haq in the chair. The meeting was informed that the institute is presently carrying out research on developing and identifying high yielding varieties of the Aus and Boro paddy, jute and some vegetables by using atomic and solar energy. The minister said production of such high yielding varieties of pulses should be increased in the country for attaining self-sufficiency in pulses like other food grains. Majidul Haq said prior approval of the ministry would be required for marketing or supply of fertilizer or any variety of crops developed at the Bangladesh Atomic Agriculture Institute or any other research institute to the farmers. **Qulkhwani** Qulkhwani of Syeda Anjumana Ara Begum, mother of FBCCI President Mahbubur Rahman, will be held today after Asr prayers (at 5 pm) at her son's residence at Gulshan, reports UNB. Syeda Anjumana Ara Begum (82) died on Tuesday of old-age ailments. She was buried at her family graveyard at Jagannath Dighi of Choddagram in Comilla on Wednesday.
