

**Students of DU Geology Dept meets Biswas**

A delegation of teachers and students of MSC final year of the Geology Department of the Dhaka University called on President Abdur Rahman Biswas at Bangabhaban yesterday, reports UNB.

The President advised the students to study the subject thoroughly, so that they can contribute to the national economy in future as researchers and geologists.

"Geology is a very important subject, in view of our natural resources still hidden in the country," he told the delegation. "Through your survey and research you can find out gas and other mineral resources."

Earlier, in a memorandum the delegation led by Professor Dr Badrul Imam informed the President about their study tour to the SAARC countries and sought necessary help in this regard.

A number of art works done by artists who are disadvantaged slum children depicting different child issues and the Liberation War was on display yesterday at city's Rayerbazar Day Care Centre. The Terre Des Hommes (Switzerland) organised the art exhibition. — Star photo
