30, 000 pledge posthumous eye donation so far

Housing and Works Minister Rafigul Islam Mia vesterday urged all to promote the movement for posthumous eye donation to serve the humanity, reports BSS.

He made this call while addressing the 10th founding anniversary function of the Sandhani National Eye Donation Foundation, a voluntary organisation of young doctors and students of medical colleges, at the BIRDEM auditorium here.

President of the foundation noted social worker. Ruhul Amin Majumdar, chaired the function which was also addressed by chairman of the Na tional Institute of Opthalmology Prof. AQS Harun. Lion Mosharraf Hossain, journalist Igbal Sobhan Chowdhury. engineer Mesbahuddin Ahmed. Prof. CH Kabir and secretary general of the foundation Dr. Tarik Reza Ali.

Dr Tarik Reza Ali said, since the establishment of the Sandham Eve Donation Foundation (i) years back, 29,993 persons so far pledged their eyes for posthumous donation.

Of a total of 657 corneas so far collected by Sandhani through its eight zones in eight medical college hospitals while 600 have been grafted in the eves of the blind, he said.

Dr Tarik said that late Mohammad Enamul Haque, who was an engineer by profession. was the first Bangladeshi to voluntarily donate his eyes.

Dr Tarik observed that although increasing number of

people are feeling inspired to donate eyes posthumously. cornea grafting cannot be promoted as per requirement for inadequacy of technical and financial support.

Prof. Harun said, across the world there are about 42 miltion blind people of whom two million are in Bangladesh. He said, sight could be re-

stored to 40 per cent of the two million blind in Bangladesh through cornea grafting. Prof Harun said a large

number of children and adults are getting blind every year due to deficiency of Vitamin-A and lack of primary eye care. He said that besides the lack of modern facilities for

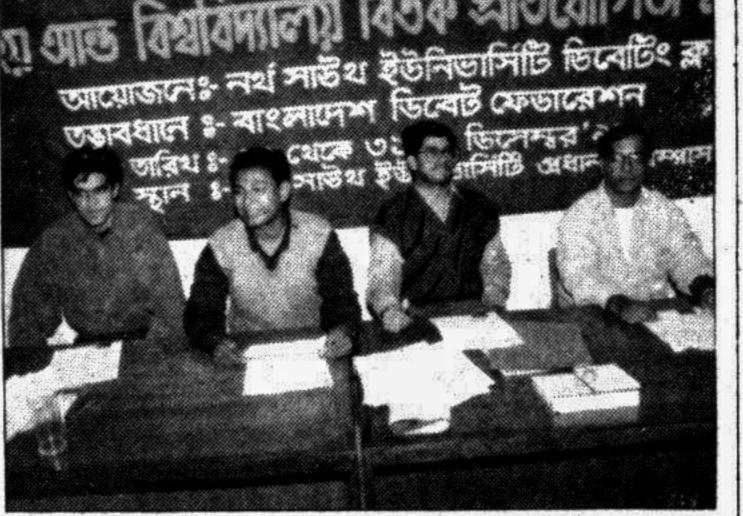

eye grafting, communication gap between the patients and the hospitals were posing a major obstacle in making cornea grafting possible. Prof Harun suggested that

the communication facilities of police can be used for establishing quick contacts with the patients living in rural areas needing cornea grafting.
