Message

I am pleased to know that Rangs Electronics Ltd. and Sony International Ltd. have jointly organized the "Sony Sales Conference and Product Display" in Dhaka. This will, I believe, help the people to be aware of the modern technological developments and its excellence in the field of electronics. Such joint efforts will pave the way for further collaboration and will inspire those willing to step into the electronics sector of the country.

I wish the Sony Sales Conference and Product Display a success.

Message

On this occasion of 'Sony Sales Conference and Product Display', I heartily express my gratitude and felicitations to the heroic people of Bangladesh, upholder of a long glorious history, cherished tradition, outstanding cultural heritage and oriental values.

An unflinching cultural relationship exists between Bangladesh and Japan for a long time. In the field of trade relations also, both the countries share a common attitude of close collaboration.

In the modern world exchange of ideas and technologies is a precondition for better knowing of one another. Cooperation and collaboration amongst nations and organizations beyond the boundaries are the prime factors for harmonious globalization of the electronic world. Following this principle, Sony Corporation and Rangs Electronics Ltd are in close cooperation and collaboration in the field of digital electronics for the mutual interest of the people.

I earnestly believe, 'Sony Sales Conference and Product Display' (24-26 March 1995) organized by Rangs Electronics Ltd, Bangladesh, will pave a better chapter of cooperation and development in the field of digital electronics in Bangladesh.

I wish the 'Sony Sales Conference and Product Display' a brilliant success.
