Act to curb misuse of energy to be enacted soon

An energy conservation act to curb the misuse of country's energy resources and to ensure conservation and efficiency in energy consumption will be enacted soon, reports BSS.

This was disclosed at the 31st meeting of the parliamentary standing committee on the Ministry of Energy and Mineral Resources held at the Sangsad Bhaban yesterday with Energy and Mineral Resources Minister Dr Khandaker Mosharraf Hossain in the chair.

A ten-member inter-ministerial committee has been working to frame the draft of the conservation act, first of its kind in the country which will put due emphasis on conservation of environment.

The prime objectives of the conservation act will be to create consciousness among the consumers to save energy and curb its misuse. It is also intended to promote ecological balance in using energy.
