

US-Japan row over auto talks hampers world trade efforts

WHISTLER, British Columbia, May 6: Trade ministers from the most powerful industrial nations were set on Friday to urge more liberalisation of world trade...

But the US-Japan dispute over trade in cars and car parts hurt their credibility as tension between the two countries mounted.

WTO agreement, said Yoshihiro Sakamoto, Japan's Vice Minister for Trade. The United States wants Japan to buy more US car parts and to give US carmakers access to Japanese car dealerships...

solve trade differences is seen as a crucial test. An escalation of the dispute would rattle world financial markets and set back the campaign for freer global trade.
