

Regen Sea Line Office cricket champs

Regen Sea Lines Club clinched the second Office cricket league title defeating Partex Group by six wickets in the final at the Dhanmondi Cricket Stadium yesterday, reports UNB.

Sent into bat, Partex Group scored 152 for eight in the stipulated 40 overs with opener Masum hitting a polished 53 off 73 balls that featured three fours.

Sanwar scored a painstaking 19 off 50 balls while Opi and Anis contributed 17 each in the modest Partex collection.

Rubel was the most successful Regen Sea bowler claiming three for 30 runs in eight overs while Shanta, Bulbul and Efee took one wicket apiece.

In reply, Regen Sea Lines made a good start rattling 63 runs in 13.4 overs for the first wicket, they reached the target scoring 155 runs for the loss of four wickets in 38.5 overs.

National all-rounder Aminul Islam Bulbul, who contributed an unbeaten 47 off 80 deliveries, was adjudged man-of-the-match.

Veteran national opener Athar Ali Khan made 25 off 38 balls with two fours while former national skipper Farouque Ahmed scored 39 in 62 balls that included five fours.

Khaled Mahmood Sujon made 19 off 27 balls and Goham Farouque Suru scored an unbeaten 14 in 20 balls with a boundary.

Saiful Islam, Selim Shahed and Plabon took one wicket each.

Baggio's late realisation

TURIN, June 7: Roberto Baggio said on Tuesday he was set to leave Italian champions Juventus and that he had spoken to a number of clubs, including foreign ones, about joining them, reports Reuter.

"I've been in contact with a number of clubs, both in Italy and abroad," the Italian international and 1994 World Cup hero told reporters.

"I realise now that Juventus don't want to keep me. I sensed the way the wind was blowing and felt I needed to act," added the former European-footballer-of-the-year.

Baggio's contract with Juventus expires at the end of June and he has not been able to agree a new deal with the club. Press reports have said he has been asked to accept an annual salary of 1.25 million dollars — a third less than he currently receives.

Women's WC soccer

China hold US

GAVLE, Sweden, June 7: China scored two second-half goals to tie the defending champions United States 3-3 on Tuesday in their Group C women's World Cup soccer opener, reports AP.

Sun Wen, China's top midfielder, salvaged the draw in the 78th minute with a well-placed shot past goalie Briana Scurry from inside the penalty box after Wei Haiying had made it 3-2 only four minutes earlier.

Tisha Venturini, substitute Tiffany Milbrett and Mia Hamm scored for the United States before a crowd of 4,645 that included UEFA president Lennart Johansson of Sweden.

Wang Liping scored the other goal four minutes before half time for China, who finished fifth as host of the inaugural championship four years ago.

Michele Akers, the leading scorer in the 1991 World Cup in China and considered the world's top female player, sustained a mild concussion in the sixth minute and never returned.

She was doubtful for the next game here against Denmark Thursday.

Akers was injured only six minutes into the game when she helped out in defence, trying to head-clear in the penalty area after a Chinese corner.

The Americans started with a furious offence and took three shots in the first five minutes, one of them by Akers.

But when Akers left in the sixth minute, the Chinese used the one-woman advantage and gradually took over command in midfield.

Venturini put the US ahead in the 23rd minute with a well-placed header, moments after she had fired over the crossbar.

Milbrett, who came in for the injured Akers in the 21st minute, knocked in a rebound just 14 minutes later after goalkeeper Zhong Honglian made the initial save on Kristin Lilly's 20-metre free kick.

The game was officiated by an all-women's crew led by Swedish referee Ingrid Jonsson.

Hamm scored the other goal in the 51st minute after breaking through unmarked to the left on a quick US counter-attack.

Ranjan (L), the speedstar of Mohammedan Sporting Club, makes an abortive attempt for his season's first goal during his side's Beximco Federation Cup football tournament engagement against Bangladesh Boys at the Dhaka Stadium yesterday. Mohammedans won 3-1. — Star photo

MSC off to flying start

Sports Reporter

After a successful DMFA Cup campaign, Mohammedan Sporting Club made a resounding start in the Beximco 13th Federation Cup football tournament with a comfortable 3-1 win over Bangladesh Boys in one of the two second round matches billed for the Dhaka Stadium yesterday.

Mohammedans' speedy midfielder Alfaz scored two goals and defender Kaisar Hamid added another before substitute Badal Das pulled one goal back for Bangladesh Boys in a rather one-sided affair where the black and whites deserved to win by a better goal margin.

But Mohammedans dominance did not translate into goals due to their speedy forward Ranjan, who spoiled at least four easy chances and hit the wood-work on two occasions.

The Tangail striker with a lethal left-foot, who donned the Mohammedan jersey this year, however, set up Alfaz's first goal in the 42nd minute.

He fired a powerful volley from inside the box which came by Alfaz's way after Selim, the Boys custodian, failed to hold on to the scorching drive leaving an onrushing Alfaz to slot the ball home.

But before the goal Ranjan

alone missed three easy sitters. The first one in the 12th minute once again proved how shaky Ranjan is with his right-foot when he failed to tap the ball home from only four yards.

Ranjan, who failed to score a single goal in the recently concluded DMFA Cup despite being the most deceptive winger with his sudden burst of speed, compounded Mohammedans' woe when he shot the ball wide over the cross-piece in the 38th minute with Selim at his mercy.

Ranjan, who played the role of a make-shift striker in the absence of a quality marksman, found lady luck against him when his surprising, but neat right-foot grounder, rebounding off the far post in the 50th minute.

But one minute later Alfaz after receiving a perfect Arman floater from the right, blasted a low drive that struck the upper far post net leaving Selim frozen on his feet 2-0.

Seven minutes later Mohammedans were denied yet another goal when Ranjan's shot from the close went out hitting the near post. With Arman, who played the pivotal role in Mohammedans DMFA Cup triumph, remaining the linchpin of every attack the Motiheel outfit continued to torment the Boys defence and got the third goal in the 75th minute through their tall de-

fender Kaisar Hamid. The former national player after receiving a perfect left-flank corner from Arman headed the ball home past a shaky Selim.

But the best goal of the day came in the 82nd minute when a thunderous 30-year right footer from Bangladesh Boys striker Badal Das whistled past the helpless Mohammedan goalkeeper Ponir. The bemused Mohammedan supporters were, however, showed their respect to the shot of the day with spontaneous clappings.

BU WIN Meanwhile, in the first match of the day Brothers Union came from behind to beat Fakirpool Youngmen's Club by the odd goal in three.

The Gopibagh outfit, who were nowhere near their DMFA Cup performance, trailed by a lone goal at the breather.

Fakirpool, who dominated their superior opponents in the first 45 minutes, deservingly took the lead in the 36th minute when striker Askar Khan Babu shot the ball home off a rebounder.

But thanks to Brothers' two Nigerian recruits — Christopher and Chibujor — who gave their newly adopted outfit a hard-fought win with strikes in the 66th and 76th minute respectively.

Brazilians blank Japan

LIVERPOOL, June 7: Two superbly-taken second-half goals by midfielder Zinho led world champions Brazil to an emphatic 3-0 win over Japan in the international four-team competition at Everton's Goodison Park ground on Tuesday, reports Reuter.

Brazil gave Japan a lesson in the art of scoring with all three goals coming as the result of clean, clinical finishing that hardly any team in the world could have prevented.

The first arrived after six minutes when Roberto Carlos sent a screaming left-foot drive across the penalty area into the far corner of Nobuyuki Kojima's net after a mistake by Kazuaki Tazaka.

Second came six minutes into the second half when Zinho, who plays his club football in Japan for Yokohama Flügels, sent a powerful left-foot volley from the edge of the box high into the net past Kojima's high, despairing dive.

Brazil's third came in the 68th minute when Zinho drove home with his left foot inside Kojima's right-hand post from eight metres out.

Japan, beaten 2-1 by England in their opening match of

the tournament at Wembley on Saturday, battled gamely and had two clear-cut scoring chances.

The first was in the 17th minute when Masashi Nakayama shot straight at Brazilian goalkeeper Zetti with the goal at his mercy, and the second midway through the second half when Motohiro Yamaguchi hit the outside of the post.

Japan pressurised Brazil towards the end when the world champions lost some of their defensive discipline, but could not find a way through.

Kojima prevented Japan suffering an even bigger defeat with some excellent saves, thwarting Juninho and Dunga within a minute shortly before halftime, and again five minutes from the finish when he turned a Ronaldo drive away for a corner.

The lesson handed out by the masters to their pupils was as beneficial for England as it was for the Japanese.

The world champions showed Terry Venables' home team, who struggled to a last-gasp 2-1 victory over the same opponents last Saturday, just how to put the Japanese in their place.

As against Sweden on Sun-

day, Brazil could have won even more comfortably but seemed to relax towards the end rather than dampen the enthusiasm of a country whose development they are deeply involved in.

And victory on the ground where their predecessor were unceremoniously dumped out of the 1966 World Cup finals will have been deeply satisfying. It also nicely sets up a climax to the competition on Sunday at Wembley against England, who play Sweden in Leeds on Thursday.

It took Brazil just six minutes to make their superiority over the Japanese, felt, compared to the 88 it took England to exert a more questionable one on Saturday.

Unlike England, Brazil did not need a penalty to do it, just a piece of typically audacious skill by Roberto Carlos, who flicked the ball over the head of Akira Nishizaki and then powered past Tasaka to score.

At the other end Edmund almost scored after a mazy run and shot that hit the bar.

In the end, Brazil were the deserved victors, but Japan proved they are learning with every game, a serious consideration in their bid to host the World Cup finals in 2002.

CJKP Ispahani cricket Mohammedan Blues champs

CHITTAGONG, June 7: Mohammedan Sporting Blues won the CJKP Ispahani youth cricket tournament tide, beating Friends Club by 53 runs in the final at the Chittagong Stadium here today, reports BSS.

Mohammedans after winning the toss, elected to bat first, scored 171 for nine in the stipulated 40 overs.

In reply, Friends were all out for 118 in 34.1 overs. Anindo of Mohammedans scored the highest 55 with two boundaries facing 70 balls. He was followed by Lelin 22, Linton 16, Akbar 16, Munna 13 and Rimon 11.

Dalim of Friends claimed four wickets for 21 while Zahed took three for 29.

Irfan 28, Rashed 21 and Zeshan 11 were the main scorers of Friends Club. Lefin of Mohammedans captured four wickets for 31 while Akbar got two for 18.

Anindo of Mohammedans won the man-of-the-match award for his outstanding performance in batting.

Six teams participated in the tournament. Iqbal Mahmood, chairman of CJKP cricket committee and additional deputy commissioner of Chittagong gave away the prizes among the winners as the chief guest.

Transcom schools hockey Ahmed Bawani come third

Ahmed Bawani Academy of Dhaka finished third in the Transcom national schools tournament beating holders Narayananj High School, 3-1 in the tie-breaker at the Hockey Stadium yesterday, reports UNB.

The third place deciding match rolled into penalties after the stipulated 70 minutes ended goalless.

In the shoot out Sabbir, Fazel and Alamgir scored for the Dhaka outfit while Mustafiz netted the consolation goal for the port city school.

The final match of the tournament between two outstanding teams — Rajshahi Medical College Campus High School and Faridpur Mojuddin Multilateral High School — will be held today at the same venue.

The kick-off is due at 3.30 pm. State Minister for Youth and Sports Sadeque Hossain will be the chief guest on the occasion.

Thumbs up for Zagalo

LIVERPOOL, England, June 7: Mario Zagalo, the Brazilian coach, expressed his delight with his experimental team's 3-0 win over Japan at Goodison Park on Tuesday, reports Reuter.

It was their second consecutive victory in the international four-team tournament after beating Sweden 1-0 on Sunday and extended Brazil's unbeaten run to 21 matches, including five wins in six games since winning the world Cup last year.

"I'm extremely pleased with the way they have entertained the fans in England," Zagalo said.

"We have played very well in both games despite being without more than half the team which beat Italy in the World Cup final. We have many players who are not internationally renowned who have come through as we prepare for the Copa America in July.

Serious structural faults in Dhanmondi gymnasium

By Staff Correspondent

Serious leaks in the roof and other structural faults have emerged in the Dhanmondi indoor stadium and engineers warned that the building runs a great risk in its present state.

Work on the building was completed in early 1991 at a cost of Tk 1.10 crore.

A senior official of the National Sports Council's (NSC) planning and development department, on condition of anonymity, said that as soon as the construction was completed in 1991, leaks appeared in the roof.

Rain water pours inside

frequent repair works over the last four years but the leaks could not be stopped, officials said.

Traces of hastily done repair work on the rooftop of the complex can be seen and an engineer who accompanied this correspondent to the rooftop said that the repair work done in the past was absolutely amateurish.

More recently, a wooden floor was laid inside the arena at a cost of Tk 60 lakh. But rain water from the leaks in the roof will soon start rotting the floor, NSC officials feared.

At present, games have to

stage, when the column base was completed, the entire project was cancelled by the government.

The work was again awarded to a new construction firm called Udbhadoni Private Ltd, who eventually managed to complete the job at a cost of Taka. 1.10 crore.

"From the very beginning we were opposed to the idea of such an uncommon construction technology, the pre-stress method," said an official of the NSC. "But political quarters got involved in it for their own vested interest and now we are

The Dhanmondi gymnasium.

the stadium from everywhere," the official said, adding that there are also structural faults in its five beams.

He added that secondary support had to be placed with every beam to prevent the building from collapsing.

The building, constructed on a pre-stress structure near the Abahani Club, underwent

be stopped whenever it rains. With the slightest rain fall, the spectators' gallery and the floor get flooded with water.

Some NSC officials alleged that the whole project, conceived during the Ershad regime, was initially estimated at Tk 18 lakh, but the work was awarded to a construction firm for Tk 36 lakh. At one

paying the price." The official said that they would have suggested demolition of the building had it not been for the fact that so much money was spent on the wooden floor recently.

However, the NSC is now surveying the building to take up extensive repair work once again.

MLS kicks off in March

NEW YORK, June 7: Major League Soccer (MLS), the US professional league which will finally begin its inaugural season next March, received an immediate credibility boost with the announcement that Mexican World Cup goalkeeper Jorge Campos had signed to play for the Los Angeles team.

The 10-team league will kick off March 31, 1996, and crown its first champions on October 20, US soccer chief and MLS announce details of the league, reports Reuter.

"We are here to say we are on our way," Rothenberg said of the US League, which had aborted previous start-up plans for in 1994 and 1995.

"I would hope now that there would be no scepticism about whether we are going to have a league or not," Rothenberg said. "There was some of that before. Hopefully today puts that absolutely to rest. There is going to be a league."

The promised formation of a professional soccer league had been one of the prerequisites of the United States being awarded the 1994 World Cup.

The signing of the colourful Mexican goalkeeper as its first international star was the most hopeful sign that the league will play and possibly thrive.

"I believe in the league and believe it will be a great international league," said Campos, a favourite of soccer fans for his acrobatic style and flashy neon-coloured uniforms.

"I believe in a challenge and I believe here in the United States it is a challenge for the soccer world," added Campos, who has often delighted Mexican fans by playing forward.

Christie to run the double

ROME, June 7: World and Olympic champion Linford Christie will run both the 100 and 200 metres at the IAAF Golden Gala Grand Prix meeting in Rome's Olympic Stadium on Thursday, organisers said on Tuesday, reports Reuter.

Britain's Christie, who began his outdoor season with a disappointing fifth place behind Frankie Fredericks in a 200 metres in Paris last Thursday, will meet the Namibian world champion again over the same distance.

Campos, who signed a three-year contract with the Los Angeles Club, will also continue to play in the Mexican First Division. "I don't believe anyone in the world could take advantage of playing in two different leagues. I love to play this game and I am grateful for this opportunity," he said.

Rothenberg said "The signing of Jorge confirms that MLS is serious about signing top international and American stars for our debut in '96."

Dallas, Denver and Kansas City were named as the final three homes for the MLS, which will also have franchises in Los Angeles and San Jose in California and Boston: Columbus, Ohio; The Tampa Bay area; New York; New Jersey and Washington.

While the league's 1996 debut is later than initially planned, Rothenberg defended the wisdom of the delay.

"It would have been a folly to rush in a try to start up a new league. It is important that people understand that we are trying to build a league that has permanence."

"There will probably still be sceptics, but five to 10 years from now, they will be gone."
