BRAC students' first success

Nineteen boys and girls of poor landless families, who got free primary schooling from BRAC schools, passed SSC Examination this year, reports

One of them got three letters with star-marks and ten passed in first division, said a BRAC press release yesterday.

BRAC's non-formal schools arranged for them, who could not enrol in formal schools because of extreme poverty and other reasons, three years of free schooling in Manikgani district. And then the NGO supported rest of their schooling in formal schools.

Some 150 children who started their initial schooling in BRAC have made their way up to Class nine and ten this year and BRAC offer stipends to help them appear at SSC examination, the press release
