Mental Health and Research instt to be set up

84 lakh mental patients in country

The government is going to establish a National Institute of Mental Health and Research at a cost of about Tk 25 crore to provide proper medicare facilities to the mentally retarded people. reports UNB.

This was disclosed by Health and Family Welfare Minister Chowdhury Kamal Ibne Yusuf at a discussion to mark the World Mental Health Day '95 at Shaheed Dr Milon Hall of PG Hospital here yesterday. There are about 84 lakh

mental patients in the country, with at least 12 lakhs of them suffering from acute mental disorder, according to available figures. Despite limited resources.

the minister said, a Tk 6 crore modernization plan for Pabna Mental Hospital has also been taken up to improve treatment facilities for the patients.

Emphasising the need for integrating mental health treatment with the primary health care facilities, he said education, information and motivation are a must to avoid mental stress.

Responding to the demand for enacting a Lunacy Act, the minister said the government is considering to introduce a bill in Parliament in this regard.

The government alone cannot solve all the problems, community participation is needed to address the sufferings of the huge number of mental patients of the country, he said.

Former president of Bangladesh Association of Psychiatrists (BAP) Prof AKMN Chowdhury said there are 65 mental patients per 1,000 people in the country and 11 of them are acute cases. Ten per cent of the total child population are mentally retarded.

The Country has only 0.45 psychiatrist per one million mental patients against 3.59

in Thiland, 21 in Indonesia and 144 in Sweden, said former BAP General Secretary Prof Hedayetul Islam There are only 54 psychiatrists in the country.

Referring to a study conducted on 300 mental cases, Prof Islam said one third of the patients are coming from rural areas and of them 65 per cent are male and 35 per cent female.

Ninety five per cent patients of Pabna Mental Hospital - country's lone hospital for mental treatment - are form rural areas. Prof Islam said adding that the rural pa tients are not getting adequate treatment.

Director of National Institute of Mental Health Dr Anwara Begum said most of the mental patients are deprived of proper treatment due to ignorance. Maximum patients are still considered as "ghost and jin affected" and they were oppressed in the name of treatment in rural areas.

Iran keen to set up cement factories

The visiting Iranian Minister for Rural Development and Reconstruction Gholam Reza Forouzesh yesterday called on Minister for Communications Oli Ahmed at the Rail Bhaban, reports BSS.

Reza Forouzesh said there were ample scope for strengthening the existing bilateral relations in the field of agriculture, environment, cultural affairs, shipping and civil aviation and industrial sector. Iran is eager to set up cement factories and refineries in Bangladesh in jointventure, he said.

Oli apprised the Iranian minister of the various development steps taken by the government. He observed that Iran can help Bangladesh in the development of road and railway communications.
