Body to determine causes behind floods in N-dists

A four-member committee has been formed by the government to examine the causes of the unprecedented floods which hit 14 northern districts of the country recently, reports BSS.

Headed by Chief Engineer of the Flood Planning and Coordination Organisation (FPCO) M H Siddiqui, the committee will also formulate recommendations against recurrence of such floods.

The committee, will also examine whether management and maintenance of sluice gates and other infrastructures of Water Development Board in the affected areas are flawless, determine the damage caused by the floods and make recommendations for repair and rehabilitation of the damaged infrastructures.

The other members of the committee include Khalilur Rahman, Director, Joint Rivers Commission, Abdul Khaleque, Director, Water Resources Planning Organisation and Mohammad Alam Mia, another serior official.

Picket Fences entitled "Freezer Burn' on Sunday October 22 George Putnick, a massage therapist, mysteriously disappears. Max (Lauren Holly) and Kenny (Costas Mandylor) force their way into Putnick's home and look for clues. They notice a man's boot near a deep freezer, recalling memories of Ginny's death by hypothermia. Mustering great courage, they open the freezer door and find Putnick's trozen corpse lying inside. Brock orders Carter to perform an autopsy, brushing aside history that a serial deep freezer killer is on the loose. When autopsy results suggest foul play, Brock questions one of Putnick's most ardent supporters, Rachel Harris. Harris describes a technique Putnick was developing called "the squiggly", a form of massage that producted orgasms in women Brock theorizes that a jealous husband may have taken his revenge on Putnick

'Declare flood-hit N-dists as calamity zone'

By Staff Correspondent

The Bogra chapter of the Association of Development Agencies in Bangladesh (ADAB) demanded of the government to declare the floodaffected districts of northern region as "calamity zones".

The demand was read out at a press conference recently at Bogra Press Club by the regional field officer of ADAB Abdur Rouf Khan.

Abdur Rouf said, about one crore people of 20 lakh families under 13 out of 16 of northern districts were badly affected by the floods which also damaged crops and houses.

Eleven thanas of Naogaon district, 5 of Joypurhat, 7 of Gaibandha, 11 of Bogra, 6 of Dinajpur, 5 of Rangpur, 2 of Nilphamari, 7 of Rajshahi, 5 of Nawabganj and 9 of Sirajganj were the worst affected areas, he said.

Giving a description in detail he said some 4.67 lakh houses were damaged completely and 5.62 lakh houses partially while crops on 7.69 acres of land completely and 8.45 acres of land partially The government activities

were too inadequate to face the problems, he said demanding massive relief works. Otherwise, a famine might break out, he cautioned.

He also stressed the need for concerted relief work to mitigate the sufferings of the flood-hit people since the government could not face the situation alone.

Caretaker govt issue

Nizami warns govt of dire consequences

By Staff Correspondent

Jamaat-e-Islami secretary general Matiur Rahman Nizami yesterday warned the government of dire consequences if it did not concede to the demand for caretaker government even after the 96 and 72-hour hartals. Addressing a rally at the

north gate of Baitul Mukarram Mosque in the afternoon, he said that with the spontaneous observance of the everlongest hartal in the country. the government had virtually lost its effectiveness.

Chaired by A T M Azharul Islam, the rally was addressed by Advocate Sheikh Ansar Ali, Abu Taher Mohammad Masum and Matiur Rahman Sikhder.

Nizami said, the 96-hour hartal would remain as a record' under the BNP government. The BNP must learn from the history. otherwise, he said, it would have to face the grievous consequences. He also said that tougher

action was ahead, if the government did hesitate to accept the demand for general elections under a caretaker administration. There could not be any dialogue until the demand was met, he said.

Different voluntary organisations were working in the affected areas, he said but added, these organisation could not mobilise adequate resources as the government had no appeal for interna-

tional help. The present relief drive could hardly help improve the condition of the affected people, he said. "We think that international help and assistance is needed along with the local steps to face

the situation," he said. Representatives of 16 non-government organisations were present at the press conference.
