Aman production may exceed target in Jessore
 From Our Correspondent

JESSORE, Nov 10: Aman crop is expected to exceed the production target by a wide margin in ten districts of south-western zone of the country during the current season, a source said.

According to a spokesman of the regional office of the Additional Director, Agriculture Extension Department, Jessore, transplanted aman was cultivated on six lakh 89 thousand 182 hectares of land while the target was 6 lakh seventy nine thousand 789 hectares in Jessore, Jhenidah, Magura, Narail, Khulna, Bagerhat, Satkhira, Kushtia, Chuadanga and Meherpur districts.

Detailed information says that HYV (High yielding Variety) was cultivated on four lakh 84 thousand 547 hectares and local variety on two lakh four thousand 635 hectares of land.

Target of HYV was four lakh 80 thousand 188 hectares and that of local was one lakh 99 thousand 601 hectares.

Production rate of HYV is

Bumper aman production expected in Chuadanga
 From Our Correspondent

CHUADANGA, Nov 10: Bumper aman production is expected in four thanas of Chuadanga district during the current transplanted aman production season.

The four thanas of Chuadanga district are Chuadanga sadar, Alamdanga, Damurhuda and Jibannagar.

According to an official source during the current transplanted season a total of 31,500 hectares of land have been brought under aman cultivation in the district of which 7,500 hectares have been brought under cultivation in Chuadanga sadar thana, 12,000 hectare in Alamdanga thana, 6,500 hectares in Darurduda thana and 5,500 hectares in Jibannagar thana.

The prospect of aman crop in all those four thanas of the district appeared to be very bright this year compared to previous year.

According to farmers the nature greatly favoured the farmers to get plantation the growth of paddy plants this year in the district. The rainfall in the district during the current transplanted cultivation season was up to the mark. There was no seed and fertilizer crisis during this season.

The standing aman paddy now in the field appears to be

very hopeful. The attack of pest during the current season was within limit.

According to an unofficial estimation it is expected that during the current season over 35,00,000 maunds of aman paddy (transplanted) will be produced in all the four thanas of the district.

It is expected that the harvesting of transplanted aman paddy of the current season will be started throughout Chuadanga district within 15 to 20 days.

It may be noted here that due to severe drought the production of aman paddy was very low during the last year as a result the price of rice was too much abnormal and high round the year.

It is expected that the price of rice will be normal in the district as soon as the aman paddy of the current season to be started throughout Chuadanga district within 15 to 20 days.

It is expected that the price of rice will be normal in the district as soon as the aman paddy of the current season would be harvested.

Honours course in more subjects demanded
 From Our Correspondent

CHANDPUR, Nov 10: The student leaders of Chandpur Government University College in a press conference at Chandpur Press Club recently demanded introduction of Honours and Masters courses in some more subjects in the college.

Honours course in four subjects, Political Science, Economics, Accountancy and Bengali have been introduced so far with a limitation of 45 seats in each department.

Every year about 300 students seek admission in each department. But due to seat constraint many of them fail to get enrolled.

The student leaders demanded introduction of Honours courses in subjects like History, Social Welfare, Management, Geography, Philosophy, Zoology, Botany, Mathematics, Physics and Chemistry.

The college now offers Masters degree in Political Science, Economics and Accountancy. While Bengali has been introduced in Honours course but not in Masters degree.

Furthermore, MA preliminary has been introduced with a seat limitation of 30, but MA final has not yet been introduced.

The leaders urged the National University authorities to enhance the seat from 30 to 100. While the Principal told this correspondent that an appeal to National University authorities has already been made to increase the accommodation.
