The victim was identified as Illias Hossain. He is a resident of Room No 501 of Hazi Mohammad Mohsin Hall.

They beat him up on the allegation that he had reflected sunlight by mirror from his room on them while they were having chat with their girl friends on the road in front of the hall.

The students assaulted Illias while he was taking his breakfast at 11:30 am at a shop inside the hall.

He was immediately rushed to the Dhaka University Medical Centre.

Call to improve financial condition of UN

M Shahjahan Omer, MP, member of the Bangladesh delegation to the 50th session of the UN General Assembly has called for improving the financial condition of the UN for making the world body more effective, reports BSS.

According to a message received here, Shahjahan Omer while taking part in discussion on 'Improving the financial situation of the United Nations' at the UN headquarters on Friday expressed concern over the present financial condition of the UN and said that the UN has for some time been maintained on the edge of bankruptcy.

He also put forward a five-point proposal for improving the financial condition of the world body.

Referring to non-payment of dues by a host of member-states Omer said that the member-states are often found uncommitted, particularly in respect of discharging their financial obligations.

Explaining Bangladesh's position in this regard Omer said that Bangladesh has consistently held that each member-state must give practical effect to her commitment to the UN by paying both assessed contributions and arrears in full, on time, and unconditionally.

He said that Bangladesh also supports exploring the possibility of providing independent revenue sources for the UN through various international transactions and taxes.
