Tea planters blast Calcutta

SILIGURI, Nov 27: The secretary of the Terai Indian Planters' Association, M R Das, has criticised the West Bengal government for what he termed as "an indifferent attitude towards small tea planters of North Bengal."

Das told a press conference here yesterday that of the 200 such gardens set up in Darjeeling, Jalpaiguri, Coochbehar and Uttar Dinajpur districts of north Bengal during the last five years, only 15 had been provided with no objection certificates (NOC).

Tax and cess were how-

ever being collected from the gardens which had not been provided with the NOCs. Das said adding "we don't know why the state government is not taking care of the tea industry."

"The government should have a clear stand on the issue. If the gardens do not fulfil the terms of the government, it is free to declare them as illegal and stop collecting tax and cess," he said.

Das said that it would not be possible to reach the national production target of 1,000 million kgs of tea by

the end of the century unless the government showed a sympathetic attitude towards newcomers in tea plantation.

Das alleged that district level committees which were supposed to meet once a month did not hold meetings for the last nine months.

He also said that over 40,000 workers already employed in these gardens were not getting ration and other benefits because the gardens were not provided with NOC, which is the primary requirement for enjoying benefits.
