One killed, 15 injured in road mishap in Barisal

From Staff Correspondent

BARISAL, Jan 2: One person died and at least 15 passengers were injured when a passenger bus met an accident at Rahmatpur some seven kilometres away from Barisal town around 11.30 am yesterday.

Seriously injured 12 persons were admitted to Shere-Bangia Medical College Hospital. Driver of the bus managed to flee.

A case was filed with Kotwali 'hana in this connection.

Tk 10,69,000 disbursed as loan under poverty alleviation

programme BHOLA Jan 2: Bangladesh Rural Development Board (BRDB) disbursed about Tk 10,69,000 loan among some landless people of Charlassion thana of the district under poverty alleviation programme during the current fiscal, reports UNB.

According to the Board's officials, the amount was disbursed among 273 samity members of 43 groups in four unions. The unions are: Aslampur, Aminabad, Haziganj and Zinnargor of the

The loans will be used for setting up poultry farms. purchasing cattlehead and in some other income generating projects

CHANDPUR, Chandpur Fishery Research Institute (FRI) has developed a new technique called "Pen Fish" cultivation in different water bodies of the district. This technique has already been introduced in other countries like Philippines, Indonesia. Thailand and Malaysia. Chandpur Fishery Institute has undertaken a

getting popularity day by day. The technique is very easy and cost effective for the fish cultivators.

To process the project a

comprehensive scheme to

develop fish cultivation

through Pen system and it is

fisherman needs some bamboos, fence, nets, ropes etc. About 200 hectares of waterways are lying idle in Chandpur irrigation project area. These areas can be utflised to cultivate varieties of fish through Pen cultivation. About 50,000 acres of waterways in Chandpur irrigation project were brought under Pen cultivation during the current season in cooperation with Chandpur Fish Research Institute. One fish expert told this correspondent that our women can easily cultivate different kinds of fish through Pen cultivation specially in the rural areas. Chandpur Fishery Institute has already given short training to about 100 women to cultivate fish on the system and more women in the rural areas are interested in the project. The project is very profitable. Tk. 50.000 can be earn from per hectare of waterbody by this

Arms, ammunition recovered in Faridpur

system within a time of six to

From Our Correspondent FARIDPUR Jan 2: As part of country wide arms recovery drive. Kotwali police recovered two country made pistols, one round of live 303 cartridges and one pipe gun in the spell of last week.

While Alfadanga police arrested one young man and recovered one indigenous pipe gun from his possession. Besides Nagarkanda police arrested four members of a gang of dacoits and recovered one indigenous pistol, one pipe gun, seven rounds of rifle cartridges, six round of gun cartridges, six hand bombs and two daggers.

Mention may be made here that one young man of Faridpur town deposited one pipe gun to Kotwali thana before the expiry of the date declared by the concerned authority for aimnesty.

BAU reopens on January 14

MYMENSINGH, Jan 2: Bangladesh Agricultural University (BAU) will reopen on January 14 next after an extended winter vacation forced by campus violence that left three dead, reports

The Vice Chancellor said the authorities had requested law enforcing agencies to cleanse the campus of illegal arms and summunition aboad of the reopening.

The BAC security branch has recovered four pipeguns. one gun, two rivolvers, one wireless set six cocktails and two knives from different halis since the violence, said

a, BAU press release. Residential halls of the university will be opened on January 13.

The halls were vacated on December 16 last following a bloody clash between the All-Party Student Unity and Islami Chhafra Shibir in which three students were killed. The BAU then was in winter vacation.

A meeting of the University with Vice Chancellor Prof Dr Shah Mohammad Farook in the chair took the reopening decision on Thursday last.

According to decision, the examinations of all the faculties will start from January 20.

Meanwhile, the time for collecting admission forms for 1st year BSc classes has been extended to January 10. The last date for submission of applications in January 14.

Arms recovered, 26 detained on various charges in Comilla

COMILLA, Jan 2: Police in a pre-dawn drive recovered one revolver and two pipeguns along with three rounds of bullet and arrested 28 people from the district yesterday the 12th day of the countrywide drive for illegal arms, reports UNB.

Following a tip-off, police raided the house of Idris Muhuri at Race Course in Kotwali thana at about 3:30 am and nabbed Idris Ali and his wife Monitaj Beguin with an US made revolver and 90 bottles of phensidyle. In separate drive, police

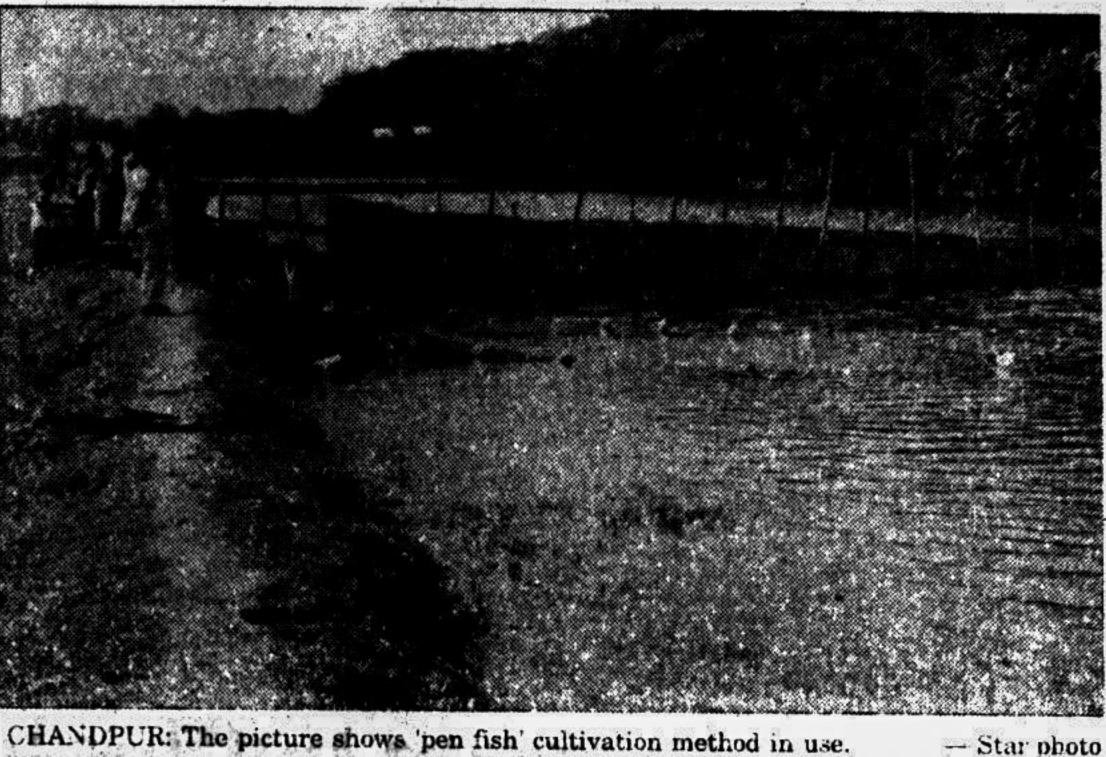

recovered two countrymade pipeguns from Anandapur village in Burichang thana. They also detained 26 people on various charges from different parts of the district. The arrested were produced before the court.

From Shirin Akhter

eight months. Pen cultivation has been introduced in Dhaka DND irrigation project as a demonstration project.

it is reported. Fishery Department will undertake a comprehensive scheme to

cultivate fish through Pen system in 41 districts. Besides Chandpur Fishery Institute has taken up 42 schemes under the system at Chandpur-Meghna-Dhonagoda Irrigation Project canal areas. About 2000 fishermen in the areas have already cultivated 50 lakh fish fry in different canal areas introducing the system. The project have been found successful everywhere.

CHANDPUR: The picture shows 'pen fish' cultivation method in use.
