

Hi!

Welcome to the wonderful world of Disney. Starting this week you would get to meet all my friends through these pages of Disney Time. Improve your drawing skills with the Colour-ins humour yourselves with the Googy Giggles. Hope you enjoy the inaugural issue of Disney Time. Look out for more fun and excitement in the next issue.

Till next week,
Mickey

INTRODUCING MICKEY & FRIENDS

MICKEY MOUSE

Mickey Mouse is a wholesome, clean-living, fun-loving, 'nice guy'. A good friend to Donald and Goofy and is Minnie's boyfriend. Mickey is intelligent, quick-witted and is always contemporary.

MINNIE MOUSE

Known as Mickey's girlfriend, she is a feisty, flirtatious charmer and even a little bossy but always loyal to Mickey.

DONALD DUCK

Donald known for his temper always gets into trouble. To his nephews Huey, Dewey and Louie he is Unca Donald. He represents the foolish, unlucky, stubborn yet spunky streaks in all of us.

DAISY DUCK

As Donald's girlfriend, she puts up with a lot. She's a flirt and loves getting special attention. She is meticulous and loves spring cleaning her house.

GOOFY

Silly and bumbling he endears himself to all of us with his naive and clowning antics. He is always good-natured right to the end.

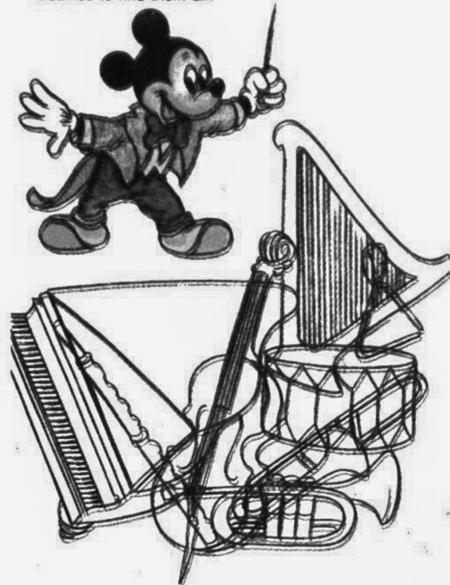

PLUTO

The energetic and rather foolish puppy is the faithful and loving dog of every little boy's dream. He is shown as Mickey's pup.

FOR U2 DO

The musicians in Mickey's orchestra have left their instruments in a muddle. Can you unscramble the outlines to find them all?

Where is Mickey? Join the dots from 1 to 55 to find out.

Why did the ghost go to the doctor?

To get a BOOster shot!

What is a ghost's favourite ride?

A roller ghester!

How does a witch tell time?

With a witchwatch!

Why is 6 afraid of 7?

Because 7 8 9!

Why did the skeleton go to the party?

Because he had no body to go with!
