A Touch of Frost
The Times in the UK called it 'an excellent series', and Star Plus viewers can now experience A Touch of Frost when it premieres on Monday, February 12 at 20.30 (BST). The acclaimed movie series replaces the highly successful run of Inspector Morse in Star Plus' popular Monday 'Myster Movies' slot, says a press release.
Britain's recently voted most popular actor David Jason stars as Detective Inspector Jack Frost, the gritty and dogged policeman who has little time for paperwork or the orthodox approach, preferring instead to rely on his own instinct and gut feeling.
He is sloppy, disorganised and disrespectful. He attracts trouble like a magnet and is barely tolerated by his superiors. But Frost is simply his own man. He just wants to be left alone to do the job he's best at catching criminals.
