Recovery of all illegal arms demanded

By Staff Correspondent

Bangladesh Shop Owner Association (BSOA) has demanded strengthening the drive towards recovery of all illegal arms by the combined forces under the administration of caretaker government.

The BSOA at a meeting held in the city on Monday also urged the political leaders to refrain from delivering any provocative speech that may incite violence, says a press release.

The BSOA also felicitated Justice Habibur Rahman on his taking over the office of the Chief Adviser of the non-party caretaker government.

The BSOA chairman, Amir H Khan, senior vice chairman M A Zaman and other office-bearers attended the meeting.

Bangladesh Muslim League (Kader) yesterday called upon the caretaker government to take immediate measures to recover illegal arms to ensure the fairness in the forthcoming general election, reports BSS.

Muslim League President Kazi Abdul Kader and Secretary General Muhammad Ayenuddin, in a statement, said it is of utmost necessity to arrest all the miscreants and terrorists to restore law and order and normalcy in social life.

Meanwhile National Federation of Teachers Association (NFTA) yesterday demanded recovery of illegal arms to ensure holding of free and fair Jatiya Sangsad polls.

The NFTA, a federal body of different teachers organisations including Bangladesh College Teachers Association, Bangladesh Teachers Association, Bangladesh Government College Teachers Association, Bangladesh Government School Teachers Association, and Bangladesh Government Primary Teachers Association, said that use of illegal firearms in educational institutions had made the life of the law abiding teachers and students miserable. Besides, the academic activities of the educational institutions were seriously disrupted due to use of arms on the campus, it said.

While felicitating Justice Habibur Rahman on his assumption of the office of the Chief Advisor of the caretaker government, the NFTA opined that, unless it was assured that explosion of bombs and firing of bullets by the ruffians were stopped and sense of security restored in the minds of the voters, all the efforts made in this direction would be a futile exercise only.

The teachers' leaders appreciated the action initiated by the new administration for recovery of arms and arresting the culprits and anti-social elements irrespective of their party affiliations.

'Announce DA of 5th Wage Board'

The Bangladesh Federal Union of Journalists (BFUJ) and Dhaka Union of Journalists (DUJ) yesterday demanded immediate announcement of dearness allowances as well as expediting the work of the fifth wage board for journalists, press workers and newspaper employees, reports BSS.

The demand came from a joint emergency meeting of BFUJ executive committee members present in the city and extended meeting of DUJ at the Jatiya Press Club. BFUJ president Amanullah Kabir presided over the largely attended meeting, said a press release.

The meeting warned that if the dearness allowance was not declared immediately then the journalists would be forced to chalk out a greater movement for realisation of it along with the fifth wage board award.

The meeting also expressed concerned at the harassment of the journalists in different newspapers and demanded immediate stoppage of it.

The meeting also reviewed the latest situation of Dhaka based newspapers and news agencies and asked all concerned to make regularise the payments of wages.

Measures to curb traffic jam in city proposed

Consumers Association of Bangladesh (CAB) yesterday suggested various measures to curb road accidents and traffic jam in the city, reports BSS.

According to a CAB press release here, the suggestions include establishment of a government run driving training institute, stopping movement of trucks from 8 am to 8 pm, adequate parking arrangements in front of the shopping areas and disallowing parking of cars and other vehicles in non-parking spots.

Rash drive and fragile traffic system are also responsible for road accidents, the press release said.

"Five pedestrians were killed under the running wheels of trucks on April 1 alone, it said adding that road accidents had become almost a daily phenonmenon in the city in the absence of any effective measures.

The CAB urged the authorities concerned to take immediate measures to ease traffic movement and punish those who were responsible for road accidents.
