FBCCI chief concerned

FBCCI President Salman F Rahman yesterday expressed concern at the attack on Cabinet Secretary Ayubur Rahman's residence on Sunday, reports UNB.

Salman, in his statement, said it is both very disappointing and ominous that the law and order situation has deteriorated to an extent where criminals are free to endanger the lives of ordinary and prominent citizens.

"Acts such as the recent attack on the Cabinet Secretary's residence undermine the confidence of the people in the caretaker government," FBCCI chief said demanding arrest and punishment of those responsible for the attack.

He said caretaker government should ensure the law and order to maintain its credibility and fulfil its mandate of ensuring the administration of fair and fully participatory elections.

Replacement of Shishu Hospital management demanded

By Staff Correspondent

Officers and employees of the Dhaka Shishu Hospital in a letter to the Secretary of the Ministry of Health and Family Welfare recently blamed the Board of Management (BOM) of the hospital for corruption, nepotism and misuse of power and demanded replacement of the board with a neutral one.

The letter alleged that the present BOM led by Justice Mahmudul Hakim was formed with the BNP men after the party came to state power in 1991.

The board in the past five years, appointed the persons of its choice violating service rules, blocked the opportunity of training for the fresh medical graduates and regularised the jobs of medical officers only to enable the members of the Doctors Association of Bangladesh (DAB), a pro-BNP organisation, to further alleged.

The officers and employees also accused the BOM of threatening some of them with termination for their protest to the malpractices.
