## Parties urge CEC for code of conduct

# Ten days to update voters' list

**By Staff Correspondent**

The Election Commission yesterday agreed to update the voter's list during the next 10 days, following requests from different political parties, according to official sources.

Leaders of various political parties including BNP and Awami League had separate meetings with Chief Election Commissioner (CEC) Mohammed Abu Hena at the latter's office earlier on the day.

The election schedule is likely to be announced after the 10-day period, the sources said.

Later, in an announcement the Election Commission yesterday requested those who are eligible to be voters but yet not enlisted in the voters' list to apply immediately in prescribed forms to the relevant authorities.

An Election Commission press release said that those who are willing to enrol their names in the voters' list should contact District Election Officer or registration officer in thana level.

Works are on for enrolment, correction or cancellation for conducting the coming polls in a free and fair manner, it said.

The leaders of the political parties while meeting the CEC also requested for a code of conduct for the ensuing elections, promulgation of fresh ordinance barring loan defaulter's candidature in the polls, recovery of illegal arms and enlisting of names not included in the voters' list.

The BNP team comprised of party secretary general Abdus Salam Talukdar, Zamiruddin Sircar, Rafiqul Islam Mia, Ziaur Rahman and Haris Chowdhury.

The four member AL delegation included the party's presidium members Abdus Samad Azad, Abdul Mannan, Tofael Ahmed and Amir Hussain Amu.

Jatiya Party leader Manirul Haq Chowdhury, also met the CEC.

The delegation of the Left Democratic Front included Rashed Khan Menon, Hasanul Haq Inu, Nirmal Sen, Bimal Biswas, AFM Mahbubul Haq, Mujahidul Islam Selim, Abdullah Sarker and Dilip Barua.

## AL to formulate policies on nat'l consensus: Hasina

Sheikh Hasina, seeking restoration of the Awami League to power, said if her party got mandate in the coming elections, it would introduce effective policies for all sectors on the basis of national consensus, reports UNB.

"In consultation with all we will frame proper policies for industry, labour, education and health to restore discipline in all these sectors," she told a spontaneous gathering at Jalirpar bus stand on way back to the capital from Gopalganj.

Hasina said her party, if voted to power, would stamp out corruption, build up non-partisan administrative system and separate the judiciary from the executive.

"We will return the people's power to them by establishing the rule of law, and a transparent and accountable government," pledged the Awami League president.

She said her party would build a strong local government system run by elected representatives to expand people's power everywhere.

## Export earnings may fall short of target

Country's export earnings may fall short of the target by about 400 million US dollars in the current fiscal due to order losses as well as disruptions in production and shipment in recent months of political unrest, reports UNB.

According to a preliminary estimate by the Bangladesh Bank, the import trade is also likely to drop by a similar amount in fiscal 1995-96.

Bangladesh Bank Governor Khurshed Alam said at a meeting with members of a leading chamber yesterday that export might fetch between 3.5 billion and 3.6 billion US dollars this year against the projected amount of 3.9 billion dollar.

Till January, he said, export was growing at the rate of 12 per cent but dropped sharply in the following month. "At the end of the year, we are expecting an export growth of 5-6 per cent," he said.

Alam, however, said his hunch was that Bangladesh could reduce the shortfall by at least 200 million dollars with "some extra zeal and effort."

On import, he forecast a bill of 6.2 billion US dollar at the end of the current fiscal against the original target of 6.8 billion.

"While apprehending a lower import, the Governor ruled out the possibility of food crisis during the year."

He said there is "enough stock" of foodgrains at the moment. "Some food aid is also coming... There will be no food deficit, if food situation is being well taken care of."

The Governor further said that food prices would come down in the coming months.

## Violation of laws will benefit none: Salam

**By Staff Correspondent**

BNP Secretary General Abdus Salam Talukdar said yesterday that a code of conduct for the political parties was urgently needed to develop a democratic culture in the country.

Talking to a group of newsmen at his chamber at the party's Naya Paltan central office in the city yesterday evening, Salam Talukdar stressed that the political parties should reach consensus on issues of national importance. But, he regretted, such consensus could not be reached in many cases.

Referring to BNP leaders' meeting with the Chief Election Commissioner (CEC) yesterday, Talukdar said the existing laws as regards elections covered everything (for holding fair polls). "Laws can provide many things. But the question is if the political parties will abide by those," he said adding violation of laws will benefit none.

## Field-level admn to be recast

**Star Report**

A list of 240 officials has been prepared for posting as TNOs as part of the caretaker government's move to recast the field level administration, according to some sources.

Sources in the Establishment Ministry, however, said that a three-member committee had been formed on April 8 to fix the criteria for the posting of TNOs while a four-member committee for that of the DCs. The recommendations of the committees are to be finalised shortly.

According to another source, a 'fit-list' containing 240 names have been prepared to be posted as TNOs. Of them, many claimed to be too senior for the posting as the rest were 'at least four batch junior' to them.

Of the 64 DCs, 35 had already completed three years or more in their present capacity and would also be replaced, the source added.

The field-level administration is being reorganised in view of the coming Jatiya Sangsad elections and many of the DCs and TNOs are to be replaced, one source noted.

**Secy-level changes made effective**

Meanwhile, administrative changes in four ministries were made effective from yesterday.

Habibur Rahman, who was given a contract appointment for two years by the BNP government, was replaced by Dr Shawkat Ali as Secretary of the Establishment Ministry. Habibur Rahman was brought to the Ministry of Industries as its Secretary, in place of Dr Ali.

**By Staff Correspondent**
