DMP's mass contact for arms recovery

Newly appointed Dhaka Metropolitan Police (DMP) commissioner Mohammad Salam yesterday said the DMP had started mass contact programmes in different city areas, seeking public cooperation in the current arms recovery drive, reports BSS.

Talking to the press at the DMP headquarters Salam said this mass contact drive would also help in building the confidence of people in police administration.

He said the DMP personnel were working hard day and night for the recovery of illegal arms and arrest of the criminals to ensure free and fair polls in a peaceful atmosphere.

The police commissioner sought cooperation of the press in making the arms recovery drive a success and said any constructive suggestion in this regard would encourage the police.

He said that from April 1 to May 7 the DMP had recovered 232 illegal arms consisting of 14 rifles, 34 guns, 33 revolvers, 13 pistols, 4 shotgun guns, 49 pipe guns, 85 daggers and chapati. In reply to a question he said a high-level government decision would be taken regarding the holding of public meeting on June 10 at Manik Mia Avenue where both BNP and Awami League had announced their programme on the same day and at the same venue. He said the DMP had nothing to do in giving permission for the meeting except giving permission for using loud speakers.
