JU student leaders demand action against Shibir

By JU Correspondent

The leaders of All Party Students' Unity (APSU) of Jahangirnagar University (JU) have called upon the mainstream political parties to be united against the anti-liberation Jamaat-Shibir forces and to launch social and political movement to eliminate them from the country.

Addressing a press conference at the JUCSU building yesterday, the APSU leaders urged the large political parties to introduce a bill at the Jatiya Sangsad to ban religion-based and fundamentalist politics in the country.

Earlier, the APSU leaders submitted a memorandum to the JU VC Prof Amirul Islam Chowdhury demanding acceptance of their five-point charter of demands. The demands include, action against the Jamaat Shibir activists responsible for terrorism on the JU campus and ousting of six teachers who have reportedly helped the ICS activists unleashing terrorism on the campus. They also gave an ultimatum to the administration that the students would initiate a massive movement on the campus if action is not taken against the ICS terrorists within seven days.

Meanwhile, Savar thana police raided villages on the west side of the University that are reportedly being used as bases by the ICS. However, no arms were recovered nor was anyone arrested, Savar thana sources said.
