Disciplinary. meet of DMFA deferred

Sports Reporter

The much-talked-about Danish Senior Division football league disciplinary subcommittee meeting, scheduled to be held on Wednesday afternoon, has been deferred till 10 am today for reasons best known to the organisers DMFA.

Meanwhile, the Danish Senior Division football league committee, awaiting the disciplinary sub-committee report on the violence-ridden and trouble-torn Tuesday night's match between Mohammedan Sporting Club and Brothers Union which left two persons dead, has suspended its meeting till 4 pm today.

Although the DMFA general secretary Mozammel Hug Mukta, who along with others are in the line of fire after the tragic incident, was not available to make any comment at his office last night, it was gathered that the disciplinary sub-committee headed by Mobarak Hossain did not sit in the wake of an imminent reshuffling in DMFA's existing ad-hoc committee.

Besides, it was also learnt that the sub-committee's decision, likely to be harsh to the tune of forfeiting match points of both Mohammedans and Brothers Union, will only be announced after the Cup Winners' Cup match between the visiting Electricity Club of Laos and Mohammedans, to be held on tomorrow.

England 278/6 at stumps

England launched a deter mined campaign with middleorder bat John Crawley hitting a gritty half-century to steer his side to 278 for six at stumps on the first day of the third and final Test against Pakistan and the Oval yesterday, according to BBC monitored here last night.

Crawley, unbeaten on 94, was the only England batsman who played with confidence after the hosts hope of a commending total on a placid Oval wicket evaporated in the face of some fired-up bowling from Pakistan pace trio of Wasiam Akram, Waquar Younis and Mohammad Akram

who will certainly be living on nerves the whole night, will resume the innings with Robert Croft today for his illusive three-figure mark.

Earlier, England captain Mike Atherton won the toss and opted to bat first in a hope to build a commanding total to put pressure on Pakistan. In a desperate attempt to equal the series England, trailing 1-0, had made a surprise change by dropping Andy Caddick, the successful seamer in the Second Test, to pave the way for the 26vear-old Glamorgan off-spinner Rober Croft. On the other hand, Pakistan

made two changes, bringing back vice-captain Aamir Sohail, missed the second Test for injury, in place of Shadab Kabir and preferring Mohammad Akram to Ataur Rehman.

Waiting a riveting war

COLOMBO, Aug 22: Drought-hit Sri Lankans are performing a different rain dance these days - to keep the rains away for at least

the next two weeks.

No one here wants the weather to ruin Sri Lanka's biggest cricket carnival, starting on Saturday, which features Arjuna Ranatunga's World Cup heroes for the first time on home soil, reports AFP.

Cricket took centre stage in this strife-hit island when Ranatunga's unfancied, but hugely talented side fought off their eternal underdog status to win the coveted World Cup last March. That the memorable win was

achieved by defeating arch-enemies Australia in the final was the icing on the cake.

Few Sri Lankans have forgotten last year's acrimonious our of Australia, where Ranatunga's boys were first accused of ball tampering Cricket's version of cheating before frontline spinner Muttiah Muralitharn was branded a chucker. Then came the ultimate hu-

miliation as the Australians boycotted their World Cup match in Sri Lanka fearing the safety of their players after a bomb in central Colombo killed 91 people. For a while, the Australians

upstaged the separatist Tamil Tigers as the country's enemy

Now, the Australians are finally here to play in the fournation Singer Limited -overs tournament which also features India. Zimbabwe and the hosts - and an entire nation is agog with excitement.

"It's a very important competition," said Sri Lankan cricket chief Upali Dharmadasa, without stressing that it afforded his cricketers and opportunity to prove the World Cup triumph was no fluke.

Sri Lankan fans are, however, not so diplomatic.

Said collegian Roushan Wickremetunga: "The Australians need to be told that Sri Lanka is a safe place to play cricket and our guys are the best in the world.

"I know the economy is in shatters because of the drought. but I still pray the rains keep away for at least the next two When the inaugural Singer

Newcastle back on track

LONDON, Aug 22: Alan Shearer, the world's most expensive player, scored with a brilliant free-kick on

Chelsea beat Middlesborough 1-

0 thanks to a Roberto di Matteo

30 metres strike four minutes from the end. At Old Trafford, both the Everton goals came in the first half courtesy of big striker Duncan Ferguson on his 50th appearance for the Mersey side

But Jordi Cryff pulled one back for the champions with a fine header 20 minutes from time and with eight minutes left Everton's David Unsworth, attempting to clear, only succeeded in turning the ball over his own line.

At St James' Park, Newcastle were set on their way in the third minute by another costly ex-Blackburn player, David Batty, who chipped over Wimbledon keeper Neil Sulivan from 30 metres.

Shearer finally got in on the act with just two minutes left Fouled by Chris Perry, the New castle-born striker decided to take the free-kick himself and from 20 metres curled it into the corner of the net

Shearer wheeled away in delight as Newcastle sealed their first victory of the season and went some way to forgetting the disappointment of Saturday's 2-0 defeat at Everton and the 4-0 Charity Shield drubbing by Manchester United.

Serie A came to Chelsea. along with various other Europeans and Brazilians, with big things expected of Chelsea's Gianluca Vialli and Middlesborough's Fabrizio Ravanelli, a hattrick scorer against Liverpool on Saturday.

But it was midfielder di Matteo, a costly close season signing from Lazio, who broke the deadlock to earn Ruud Gullit his first win as a manager. Gareth Southate: the man

whose missed penalty sent England out of Euro '96, gave Aston Villa a 64th minute winner, but not from the penalty spot, at home to a dispirited Blackburn, who could offer little in response as they went down 1-0. After the game it was an-

nounced that Blackburn's director of football and ex-manager Kenny Oalglish was leaving the club by mutual agreement. Sunderland found a rich vein of scoring form at Not-

An otherwise quiet Matt Le Tissier, in front of watching England manager Glenn Hoddle, gave his side hope from the penalty spot after 68 minutes. but Leicester held on for a 2-1 win with Southampton's Barry Vension sent off.

Gary McAllister showed Coventry the way forward after their dismal showing at home on Saturday when his 12th minute goal gave his new side the lead over Westham. But the hammers surged

back in the second half and de-

servedly levelled with a 74th

minute equaliser from defender Marc Rieper. After two matches, Sheffield Wednesday, are the surprise Premier League leaders with two victories from their first two games, including a 2-0 win

at Leeds on Tuesday.

Manchester United and Sunderland come next, heading seven teams on four points, Blackburn and Wimbledon are bottom after two defeats. Newcastle are in mid-table, Shearer, thrilled with his goal
