Tk 55cr Swedish grant for rural development

Sweden will provide Taka 55.34 crore, including Taka 11 crore in grant, for a rural infrastructural development project in Bangladesh, reports BSS.

This was disclosed at a meeting between the visiting high-powered Swedish delegation and LGRD and Cooperatives Minister Zullur Rahman yesterday.

Local Government Engineering Department will implement the Taka 73.90 crore Rural Development Project-4 with assistance from Swedish International Development Agency (SIDA).

The project envisages maintenance of feeder roads and construction of bridges and culverts in Faridpur, Madaripur, Rajbari, Gopalganj and Shariatpur districts for improving road communication, developing rural infrastructure and generating employments.

The LGRD Minister told the delegation, led by Franck Rasmussen, that the present government attached priority to eradication of rural poverty and creating job opportunities as its main development strategies.

The government has already formed a high-powered commission for strengthening the local government bodies, he added.

Zillur Rahman said the entire local government structure would be reorganised giving priority to poverty alleviation and creation of job opportunities for rural women and ensuring participation of local people.

For strengthening the rural economy, he said, the Upazilla system would be reintroduced and a bill in this regard would be tabled in the next session of Parliament.

The delegation members praised the government measures for further democratisation and strengthening of the local government bodies, said an official handout.

They told the minister the Sweden would intensify its co-operation for rural infrastructural development and poverty alleviation programme.

State Minister for LGRD and Cooperatives Syed Abul Hossain and LGRD Secretary AHM Abdul Hye were present on the occasion.

French wheat received

Bangladesh has received 20 thousand tons of wheat as grant from France.

The wheat has been given under Food Aid Agreement signed in early June, says a press release of French embassy here.

The consignment arrived in Chittagong Port on Tuesday was handed over to M A Rahim, Joint Secretary of the Food Ministry, by Bertrand Desruelles, Trade Commissioner of France, at a ceremony at the Port yesterday.

Besides annual food aid, France also provides technical and financial assistance to Bangladesh, the press release added.

Seminar on Bangladesh economy

Steps suggested to maintain micro-economic stability

Former Finance Advisor Dr Wahiduddin Mahmud has said presently there has been no possibility of breaking down the micro-economic stability, reports BSS.

He, however, suggested some hard steps should be taken to maintain the micro-economic stability.

The former Finance Advisor was speaking at a seminar on "Bangladesh economy: current state and future options" jointly organised by Bangladesh Economic Association and Centre for Policy Dialogue at the auditorium of Academy for Planning and Development in the city yesterday.

Dr Mahmud, who served as Finance Advisor under the past caretaker government, said efforts should be taken to increase the exports. He said the introduction of VAT (Value Added Tax) had given a boost in the economy.

Dr Mahmud underlined the need for domestic borrowing for financing in the Annual Development Programme (ADP).

Underscoring the need for increasing tax mobilisation, the former Finance Advisor said some concrete steps must be taken to enhance the tax administration.

Dr Mahmud said the country's economy had now been marked by supply constraints instead of demand constraints. He said this was for the first time the supply constraints had reached to such a position which could not be easily tackled.

Giving an overview of the last five years, Dr Mahmud said there had been a significant export growth which raised to 37 per cent during this period. There has been good industrial growth also, he added.

He however said the growth in the agriculture sector had been stagnant during the last five years.

The former Finance Advisor also mentioned the significance rise in public saving, investment and foreign exchange reserve during the last five years.

Presided over by Prof Rehman Sobhan, Executive Director of Centre for Policy Dialogue, the first session of the seminar was also addressed, among others, by M K Anwar, MP, Dr Omar Haider Chowdhury, Dr Mustafizur Rahman, former Finance Minister A M A Muhit, Dr Enamul Huq and Salauddin.

US missile attack

Iraqi dinar crashes

BAGHDAD, Sept 5: The volatile national currency, the dinar, has taken a huge tumble since the United States attacked Iraq with cruise missiles to punish President Saddam Hussein for assaulting Kurdish rebels, reports AP.

Money traders quoted a rate of around 1,670 to the US dollar on Wednesday. That was slightly stronger than Tuesday's level of 1,800 but much lower than the 1,050 rate a few days ago before the fighting started.

The dinar, which had risen sharply because of an oil-for-food deal with the United Nations earlier this year, is a key barometer of the nation's economy.
