Upgradation of Dy Secys' pay scale resented

By Staff Correspondent

Bangladesh Civil Service (Taxation) Association expressed its deep resentment yesterday at the government's decision to upgrade the national wage scale of deputy secretaries at secretariat from the fifth grade to fourth grade.

In a press release issued by the association's secretary general Md Delwar Hossain, the association observed that the government's decision has created a discrimination between the Taxation Cadre and the Administration Cadre of the same rank. The association demanded that the Taxation officers of the same cadre should be awarded the fourth wage board and the government should rationalise other wage structures accordingly.

However, the association simultaneously welcomed the government's decision to award selection grade at higher scale to officers in the sixth grade in different cadres.
