Protection of consumers' rights Draft law likely to be placed in next JS session

Speakers at a discussion meeting in the city yesterday stressed the need for a law to preserve and protect the rights of consumers, reports UNB.

Consumers Association of Bangladesh (CAB) has already prepared a draft of the law which is expected to be placed as Bill in the next session of Parliament.

Former Chief Justice Kemaluddin Hossain was the chief guest while CAB president Borhan Ahmed presided over the discussion at the VIP lounge of Jatiya Press Club.

Those who took part in the discussion included Barrister Amirul Islam, M Rahmat Ali MP, Akhtaruzzaman MP, Prof Shahidul Islam MP, Jatiya Press Club president Reaz Uddin Ahmed, former director general of NGO Bureau Dr Saleh Uddin Ahmed and Dr Syed Rashidul Hasan, professor of Marketing Department, Dhaka University.

In his address, Justice Kemaluddin Hossain called upon all to create public awareness about consumer rights. In this regard, he particularly emphasized on the role of NGOs and

media.

Justice Hossain said public opinions could be turned into public policy which would help formulate public laws. He hoped that the people would get the fruits of democracy through such laws which could protect their rights.

The former chief justice suggested that the CAB should outline the demands and problems of consumers and the laws should be formulated by a judicial body like the Law Commission.

State Minister for Law, Justice and Parliamentary Affairs Abdul Matin Khasru sent a message for the meeting hailing the proposal for formulating a law to protect consumers' right.

He said the proposed law was now under active consideration of the government and being examined by a committee headed by the Commerce Secretary.

The minister said consumers were suffering for want of such laws and due to the unscrupulous activities of some dishonest and profit-seeking businessmen.

Role of private sector in planned urbanisation emphasised

LGRD and Cooperatives Minister Zillur Rahman yesterday emphasised on private sector initiative along with the government to ensure improved and hygienic habitat for all, reports UNB.

The Minister said this while addressing a meeting at Ramna Park, organised by Housing and Public Works Ministry and Rehabilitation and Development Organisation for Landless (RDOL) on the occasion of World Habitat Day yesterday.

The main theme of this year's World Habitat Day was 'Urbanisation, Citizenship and Human Solidarity'.

There is no alternative to the improvement of rural infrastructure, alleviation of rural poverty, expansion of employment in villages and planned urbanisation, the LGRD Minister said highlighting the migration of rural people due to flood and erosion.

He also assured that his government would extend full cooperation to involve private sector in integrated programme for planned urbanisation.

The meeting was also addressed by State Minister for Housing and Public Works Afsar Uddin Ahmed Khan, State Minister for Land Alhaj Rashed Mosharraf, Public Works Secretary Mokhesur Rahman and member of National Housing Committee and Secretary General of RDOL Syed H Loton.

Later, the LGRD Minister led a walkathon that marched from Shishu Park to Osmanin Smriti Milonaton via National Press Club, organised on the occasion.
