BFUJ happy over formation of Wage Board

Leaders of the Bangladesh Federal Union of Journalists (BFUJ) and its federating units yesterday expressed their satisfaction at the formation of the Wage Board after removing all impediments on its way and called for immediate holding of the board's meeting, reports BSS.

They said the announcement of the formation of the tenure-expired wage board has, in fact, reflected the aspirations of the journalists, press workers and general employees of the newspaper industry. They said the allegation that the Wage Board was never reconstituted is not correct. Wage Board was also reconstituted in the past, the leaders added.

The journalists leaders said the announcement of the Wage Board ensuring representations from all the news papers and news agencies has proved the goodwill and wisdom of the government.

They said the complainants should know that there is no scope for terrorism in BSS news agency. They said people who themselves tend to indulge in terrorism now find terrorism everywhere.
