Opportunities for Agribusiness Companies and Entrepreneurs!!

The Agrobased Industries and Technology Development Project (ATDP) — a USAID supported project of the Ministry of Agriculture — through its Market Access and Technology Training (MATT) program is offering opportunities for agro-based companies and entrepreneurs to improve their knowledge about the latest agro-based technologies and international markets for agro-products, and to develop their international agro-product market contracts and marketing techniques. MATT is a matching grant program to support demand driven overseas study tours and visits for agribusiness representatives and entrepreneurs. Bangladeshi agribusiness representatives and entrepreneurs may take advantage of this unique opportunity to add to their skills and knowledge for the benefit of their firm and the industry as a whole. For detailed information please contact:
