Canon
The best technology in print

expert

You set out
to build a business,
not to become an

in computer management.

You're a growing business. But even if you can't afford a department full of computer specialists, you can still put the best PC networking solutions at your fingertips - by choosing IBM's powerful and affordable PC 340 and PC Server 320.

To begin with, they're easy to upgrade so you can change with your growing business needs. And thanks to first-class TME 10 NetFinity management software, your system will practically run itself. You'll also be able to increase productivity with a complete set of office software, including Intel ProShare, Lotus Notes and free Lotus SmartSuite¹ CD-ROM.

Plus, you're covered with the full protection and support of our three-year warranty².

Check out our new PC 340 desktop and PC Server 320. And see how easy and inexpensive it is to get the same power and expertise the big guys rely on. Without having to become an expert yourself.

- PC Server 320**
- Pentium 100/133/200MHz
 - RAID and non-RAID models
 - 32MB DRAM memory
 - 256KB L2 cache
 - upgradeable to 512kb
- PC 340**
- Pentium 100MHz or 133MHz
 - 850MB or 1.2GB HDD
 - 8MB or 16MB EDO RAM
 - 14" SVGA Monitor
 - CD-ROM drive optional

Our IBM Authorized Dealers are ready to help, so give them a call. Or contact IBM Direct at 889783. You can also visit us at www.pc.ibm.com/desktop.
