accepting bribe. This is not true. They violate the rules and we are blamed for trying to curb the sucherime, he said.

A truck driver said a single trip from Bagerhat to Dhaka would cost a trader between Tk 8,000 and Tk 12,000.

We charge money for a trip including the toll at different points said another truck driver of Gopalganj. Bagerhat, Khulna, Pathghata and Takerhat are some of the recognised points where we pay toll. At each point, a hundred Taka note is sufficient for 'transit pass', said the truck driver.

Crossing the Padma is a big problem. At Daulatdia, a fiveton truck has to pay Tk 720 as ferry charges as prescribed by the Bangladesh Inland Water Transport Corporation. If it is over-loaded, a trader has to pay between Tk 100 and Tk 500.

Trucks carrying perishable goods are entitled to priority to board a ferry. The traders alleged that the ticket masters and ferry workers allegedly create traffic jams at the pontoons to create conflicts among the drivers leading to offering of bribe which is shared by the ticket masters and the ferry
