PM greets Kuwaiti, Qatari counterparts

Prime Minister Sheikh Hasina has felicitated Sheikh Saad Al-Abdullah Al-Salem on his reappointment as the Prime Minister of Kuwait, reports UNB.

In a message to the Kuwaiti Prime Minister, she hoped that the excellent relations and co-operation between the two fraternal countries would further be strengthened during his tenure.

In a separate message, Prime Minister Sheikh Hasina greeted Sheikh Abdullah Bin Khalifa Al-Thani on his appointment as the Prime Minister of Qatar.

In her message to Sheikh Abdullah, Hasina wished him good health and happiness, and continued peace, progress and prosperity of the people of Qatar.

SAARC engineers' confce Technology transfer for regional development urged

State Minister for Local Government, Rural Development and Cooperatives Syed Abul Hossain yesterday said the present government is pledged to strengthen and broaden the scope of cooperation in core economic areas among SAARC countries, reports BSS.

Speaking at the SAARC diploma engineers conference, organised by the Institute of Diploma Engineers, Bangladesh, in the city yesterday, the minister said, "SAARC region presents a stark paradox. It has vast potentials but side by side, it is now the world's largest pocket of poverty."

The state minister said through application and transfer of technology, the region could harness its enormous resources and radically transform the standard of living of its people.

Syed Abul Hossain said if there had been cooperation instead of competition, trust and confidence building in place of misgivings and bickerings among South Asian nations, the sky would have been the limit for them to achieve progress and prosperity.

Presided over by the president of the Institute of Diploma Engineers, Rafiqul Islam Bhuiyan, the conference was attended, among others, by general secretary of the institute, Akma Hamid and delegates from the SAARC countries.

Shipping minister was inaugurating the three-day seminar on 'commercialisation and private sector involvement in ports' held at the port training institute here today. The seminar has been organised jointly by ESCAP and the Chittagong Port Authority.

ASM Abdur Rob said, the port activities have to be carried on commercial basis in the interest of national economic progress and world economic system where efficiency and competition are vital. "We cannot ignore or neglect technological advancement, economic competition and higher efficiency needed in our port services," he said. "Our ports have less private sector involvement in comparison with ports of the South Asian countries as a result of which our ports could not be expanded and modernised according to the demand of the time," he added.

He said, present government has adopted necessary policy to make Chittagong Port more dynamic and efficient. He said Chittagong Port Authority have taken up a Tk 1000 crore 15-year master plan under which a new container terminal would be constructed and high tech modern handling equipment would be procured. To involve the private sector with port activities, he added, a container-handling terminal would be constructed outside the port protected area.

The shipping minister also said that containers are being transported by road to different parts of the country while a river container port would be set up in Dhaka soon.

Seminar on 'woman as consumer' held

A seminar on role of woman as consumer organised by Pratay was held on Saturday at Sher-e-Bangla Nagar Community Centre in the city, says a press release.

The seminar was presided over by the president of Mohammadpur area Pratay Prof Zebunnesa.

Begum Tasmina Hossain, MP, and editor of the Anarany, a fortnightly was the lady chief guest and Sohel Ahmed DG, NGO Affairs Bureau was the special guest. Rokeya Jahan Reba, General Secretary of Pratay presented the keynote paper while Prof Mofazzalul Hoque and Prof Zerina Rahman Khan of Dhaka University took part in the discussion.

Begum Tasmina Hossain said that legal supports should be provided to protect the interests of consumers. Adequate steps should be taken to control sale of adulterated and harmful products.
