Free photocopying service at Public Library from Dec 1
By Staff Correspondent
The Central Public Library will provide free photocopying service, specially to university students, from December 1.
State Minister for Youth, Sports and Cultural Affairs Obaidul Quader directed the library authorities to serve the students with photocopying facilities free of cost, while addressing a seminar Thursday on 'Library Legislation in Bangladesh' held at the library premises. 'The students are cutting the pages of valuable and rare books,' he said, adding that allowing them free photocopying facilities might curb the bad practice.
However, AFM Badiur Rahman, Director, Department of Public Libraries, suggested that the proposed system might be introduced for one month on an experimental basis to observe whether the page-cutting practice stops.
