Notice of Employment
Power Grid Company of Bangladesh (Proposed)

Promoted by the Bangladesh Power Development Board (BPDB), the Power Grid Company of Bangladesh (PGCB), a successor utility for the design, construction, operation and maintenance of power transmission network, will shortly commence work on the construction of transmission system associated with the Meghnaghat Power Station and the National Load Despatch Centre. BPDB, on behalf of PGCB, invites applications from qualified professionals for the post of :

Managing Director
 The Managing Director shall be the Chief Executive Officer of the Company reporting to the Board of Directors. He shall be responsible for overall administration, corporate planning and business development and for the overall coordination of PGCB's management. Other important tasks will include development of rules, regulations and systems of the new organisation, legal functioning of PGCB, negotiations with commercial sources of credit for future expansion and listing of the company in the stock exchange.

Candidates should be qualified Engineers, Accountants or Management Specialists with at least 20 (twenty) years of experience in management of large multi-unit organisations. Candidates with multidisciplinary qualifications and experience in electric utility will be preferred. Age should not exceed 55 years, relaxable in case of candidates working in power utility organisations of Bangladesh.

A compensation package of Tk 50,000 (fifty thousand) salary per month along with official residence, free medical treatment for self and family within Bangladesh and full time transport as per company rules will be provided to the selected candidate.

Director (Technical)
 The Director (Technical) shall be the Chief Technical Officer of PGCB reporting through the Managing Director to the Board of Directors. He shall assist the Managing Director and be responsible for technical studies, engineering, construction supervision, and operation and maintenance of all the facilities of the Company.

Candidate should be qualified engineers, with at least 15 (fifteen) years of experience in implementing, operating and maintaining large value electricity transmission and distribution projects involving procurement through international competitive bidding. Candidate with multidisciplinary qualifications will be preferred. Age should not exceed 50 years, relaxable in case of candidates working in power utility organisations of Bangladesh.

A compensation package of Tk 40,000 (Forty thousand) salary per month along with official residence, free medical treatment for self and family within Bangladesh and full time transport as per company rules will be provided to the selected candidate.

Director (Finance)
 The Director (Finance) shall be the Chief Finance Officer of PGCB reporting through the Managing Director to the Board of Directors. He shall assist the Managing Director and be responsible for the overall financial management of the company including treasury functions, financial and management accounting, costing and auditing. Other fields of important activities will include developing and implementing computerised billing and management accounting systems, negotiations with financial institutions for commercial credits, foreign exchange transactions and development of an internal system of delegation of financial powers.

Candidate should be qualified accountants (FCA/FCMA/MBA) with at least 15 (fifteen) years of experience in senior positions in large multiunit organisations. Candidates with multidisciplinary qualifications will be preferred. Age should not exceed 50 years, relaxable in case of candidates working in power utility organisations of Bangladesh.

A compensation package of Tk 40,000 (forty thousand) salary per month along with official residence, free medical treatment for self and family within Bangladesh and full time transport as per company rules will be provided to the selected candidate.

Interested candidates may apply with a copy of their detailed bio-data to :
