Publication of 15 newspapers

periodicals stopped

From Our Correspondent FARIDPUR, Nov 22: Publication of 15 newspapers have been suspended for ten consecu-

days in Faridpur. The newspapers include two local dailies 12 weeklies, and one half-weekly.

The suspension was caused following strike called by the local printing press employees to press home their ten point demands. Their main demands are enhancement of salaries and reduction of working period by an hour

Due to their strike works of 23 printing presses have been stopped

Besides, almost all the educational institutions of the lqcality have been put into tremendous problem for not getting their question papers printed in time.

Meanwhile, police arrested Osmangani, President of Printing Press Workers' Union for assaulting Pradipkumer, News Editor of The Daily Ganasonghati recently.

Another report adds: A workshop on Oral Rehydration Therapy (ORT) was held here at Kabi Jasimuddin Hall recently. The main objective of the workshop was to create awareness about the utility of ORT and how to prepare and use it to prevent diarrhoea mortality specially the babies who are

Bus strike on Jessore-Chuadanga road continues

From Our Correspondent JESSORE, Nov 22: Movement of buses on Jessore-Chuadanga route remained suspended for the last eight days. Conflict of interest and ex-

ercise of power among different bus owners associations on this route has led to this situation. reports said.

Meanwhile, the scheduled meeting called by Jessore District Bus Owners' Association on November 21, to find out an endeto this bus strike could not be held due to some unknown

Kidnapped school girl rescued

From Our Correspondent SATKHIRA, Nov 22: Police rescued a school student Nazma who was allegedly kidnapped by

a group of miscreants last week. Assassuni police said. Nazma Begum, 14, a student of class IX of Bichat High School under Assassuni thana was going to school, when a gang of miscreants kidnapped her on November 8.

Acting on a secret information police arrested one person. Nazibullah from the house of Abdur Rashid of village Dulbala under Kaligoni thana. After his confession police rescued Nazma from the same village. Police also arrested the kidnapper, Saiful Islam Bachhu on November.

Musclemen active as Aman harvesting nears

20 police camps set up at char areas in Barisal Div

BARISAL, Nov 22; The farmlandlords at different disputed shoal areas as the aman paddy harvesting season is nearing. "It is a regular practice for

the musclemen to create troubles, let loose a reign of terror through manhandling, looting. raping and sometimes even killing in the shoal areas backed by the local rich land lords. Here bloodshed is inevitable," said a farmer of Chargaguria under Mehendiganj thana of the dis-

Meanwhile, reports are pouring in here from different places that the musclemen are getting ready for the showdowns. In some places of the district Sarbaharamen are also being hired along with others it is alleged

A total of 20 police camps have already been set up at the troubled shoal areas and 10 to 15 more camps will also be set up, district administration source said.

According to local sources, dispute over inter-district boundary lines still exists. Though pillars were erected in many points along the demarcation lines earlier by the authority concerned, yet laws are frequently being violated.

The trouble prone shoal areas, as spotted by the local people and the district administration are. Chargaguria under Mehendigani thana of Barisal and Char Bheduria of Bhola. Nilgani and Taltali of Amtali

Majhercher under sadar thana Padmaarchar of and district, Harimpalachar under

Bhandaria thana of Perojpur district, Charbasudevpur. Pakdal, Rajnagar under Baufal Charkanaia. thana. Chhargangamati under Kalapara thana, Charkazal, Charbiswas, Charmantaj under Galachipa thana of Patuakhali

Magistrates would also be deputed soon this year in some high risk-trouble prone areas. various district administration sources said.

Meanwhile, report received on Thursday night says: More than two hundred armed lathials of char Veduria of Pohola entered into the Chargaguria of Mehendiganj thana area of Barisal district and brockdown the pillar no-14 of the disputed charland along the Barisal-Bhola district border line at midnight

During three-hour long atrocities the lathials set ablaze two houses and fired nearly 10 rounds of gunshots. They also looted away two

buffaloes and 10 cows from the

Chargaguria. Bhola sadar tha-

na police arrested four lathials. Our Chandpur Correspondent adds: With the advent of aman harvesting season, the cultivators of different shoal areas in the district are passing their days in tension apprehending attacks from musclemen hired by rich land lords. The shoals in and around the river. Meghna, Padma and Dakatia are some of the trouble

spots. These shoals are: Raj

of Rajshahi Division a total of

17.07.523 hectares of lands

have been brought under Aman

paddy cultivation this season.

according to official sources

This amount is about 8,500

hectares more than the target of

37.08.719 metric tons of rice

would be harvested this year

from the region. However, the

damage done by the recent

storms will adversely affect the

expected harvest, farmers and

aman paddy has already been

started in many places of

Rajshahi Division. According

to the local Agriculture

Extension Department, yield of

paddy is mostly recording be-

tween 12-14 maunds per bigha

which is not very satisfactory.

Meanwhile, harvesting of

concerned sources said.

It was expected that

16.99,023 hectares.

The farmers living near the shoal areas are apprehending attack by musclemen and other miscreants. The land lords in shoal areas hire these professional musclemen to snatch away the harvested crops from the farmers

It is alleged that musclemen all over the shoal areas are preparing to swoop on the farmers. Preparation of these miscreants are being observed for a long time. They also use firearms, it was learnt.

Looting of harvested crop, arson, torture and killings are common feature in the areas for a long time. Every year miscreants are looting farmers. They usually set fire to dwellings rendering poor farmers homeless. Violence over the harvested crops occur mainly due to disputes over the ownership of the newly emerged land on the riversides. Meghna, Padma, and Dakatia. Their claims are often challenged by rival groups having forged documents. Absence of proper border demarcation of district boundaries in the shoal areas is one of the main causes of the dispute a number of farmers informed.

Earlier, a number of cases were filed by rival groups over the ownership of newly-appeared shoals. These unsettled litigations also contribute to the violence in these areas Every year district administration take necessary measures to check the violence, but dispute

Recent storm damages paddy fields

Aman production likely to fall in Rajshahi Div

From Abdul Wadood

RAJSHAHI, Nov 22: Aman paddy production is apprehended to fall considerable this season from greater Rajshahi region, according to concerned

The storm that hit this region early this month due to depression in the Bay of Bengal. caused the damage, according to BADC sources.

During the three-day long occasional storm with heavy downpours, paddy shoots with recently blossomed flower spikes and half-ripen ear of corn fell flat. Especially in the lowlands, a large number of flower-spikes of paddy got rotten in the stagnant water. In the high-lands, from where water could be drained out anyhow. 'chita' (grain of paddy containing no rice) grew abundantly decreasing the production.

From Staff Correspondent SYLHET, Nov 22: Three people, including a child died of diarrhoea at villages Gobindanagar and Bilpar under Biswanath thana in the last three days. Two v. ere identified as Abdur Rahman and Abdul Jabbar Eight more diarrhoea affected people have been admitted to the local hospital, ex-chairman of Khajanchigaon UP said

Dacoities in Jhenidah JHENIDAH, Nov 22: A gang

of dacoits looted valuables including gold ornaments worth about Tk 50,000 from several houses at village Pabahati in the pourashava area recently, reports UNB.

Police said, a gang of dacoits numbering about seven called out the inmates from their houses and looted their house hold at daggers point and assaulted 10 villagers when they tried to resist them.

Another report adds: Police Tuesday recovered the deadbody of a newborn child from a pond at Kanchan Nagar in the town. The identity of the ill-fated child could not be known. The body was sent to Sadar hospital

morgue for autopsy.

2 alleged outlawed party members held

From Staff Correspondent BARISAL. Nov 22: Gournadi and Banaripara thana Police of Barisal arrested two alleged Sorbaharamen, Gani Peada and Md. Sahajahan from Hasnabad of Gournadi thana and Maluhar Village of Banaripara thana of

the district. Both were wanted by police on various charges including murder cases, police said. Police also recovered a locally made pipegun from Shyampur under Bakergani thana of Barisal

From The Court Room

One imprisoned for marrying

second marriage without the consent of his first wife, court sources said here yesterday, reports UNB.

The court also fined him Tk 3,000, in default, to suffer another two months.

According to the prosecution story, Abdul Baten, son of Abdur Rahman of village Tek Para in Polash thana married Mariam Begum, daughter of Abdul Aziz, of the same village

After six months Baten married Hazera, daughter of Ameer Box Pradhan of village Alir Tek in the same thana, for the second time, without the consent of Mariam. Aggrieved Mariam filed a case against Baten with the thana Family Court.

One gets 10 yrs for possessing arms

From Our Correspondent PABNA, Nov 22: One, Hossain Al Mamun was convicted and sentenced to ten years rigorous imprisonment for possessing illegal arms in a judgment delivered on November

According to prosecution acting on a secret information, Abdul Awal, Sub-Inspector Pabna thana, along with a contingent of police and accompanied by a Magistrate, raided Room No. 204 of Pabna Polytechnic Institute. During the search of the room, police recovered two country-made guns and two cartridges from inside the bed of the accused Hossain Al Mamun on April 3, 1996. After investigation police

submitted chargesheet. Begum Salma Banoo, Assistant Session Judge and Sub-Judge, First Court, Pabna, de livered the judgment.

Two imprisoned for murder

SATKHIRA, Nov 22: The Additional District and Sessions Judge has recently sentenced two people to jail on different terms in a murder case, reports

Court sources said, the Judge S K Raonagul Islam sentenced Maksudir Rahman to life term in jail and Abdul Bari to seven years imprisonment for killing one Abdul Sattar at Gabura in Syamnagar thana.

The Judge also fined Bari Tk 5.000. in default, to suffer three months more imprisonment.

According to prosecution. the accused invited Abdus Sat tar Khan of Kayra of Khulna district to their house to settle their long dispute over a land and killed him on the night of January 19, 1994. The Judge after examining

13 witnesses found the accused guilty of murder and pronounced the judgment on Tues-

Clash over land: 4 hurt in Gaibandha

From Our Correspondent GAIBANDHA, Nov 22: Four persons including a woman sustained serious injuries when their rival group attacked them with deadly weapons at village Piyerapur under Sadar thana in the district on November 17.

On the day of the incident their rival Rowshan Ali accompanied with some others armed with deadly weapons came to take possession of a plot owned by a widow Rosy Begum of the said village. Rosy tried to resist the outsiders. Then the miscreants began to beat her. Her three sons Rabin. Rumi and Golap. encountered the miscreants The miscreants attacked them with deadly weapons. All four of them sustained serious injuries. They were rushed to the hospital in a critical condition.

A case was filed with the sadar thana, but none was arrested yet.

Call to set up nat'l institute of oceanography

CHITTAGONG, Nov 22: Some experts of the Marine Science Institute of the University of Chittagong have pleaded for establishment of national insti tute of oceanography for facili tating exploration and research of marine resources of the country

Talking to BSS, they said Bangladesh has vast and varied marine resources, but there is no institute or research facilities for those marine resources which when properly tapped and exploited could contribute towards economic development of the country.

They pointed out that a fea-

sibility study was made in this

phy experts added.

connection in the country some time ago with foreign assistance and a national committee was also formed for this purpose. The committee reviewed the feasibility study report and suggested establishment of a na tional institute of oceanography but the concerned authorities are yet to take necessary steps to establish the much needed institute of oceanogra-

Gopalganj — a transit point of drug smugglers

GOPALGANJ, Nov 22: Gopalganj has become a transit point of banned drug like phensidyl smuggled from India across the borders of Satkhira, Jessore and Khulna.

The smugglers are active for the last six months with the help of some unemployed youngmen and women.

Phensidyl is carried to a number of recognised border points and then smuggled into Gopalgani town. Here the goods are packed in plastic containers for supplying to Madaripur, Faridpur, Barisal, Dhaka and other parts of the country Gopalgani Police, sources said.

Before the nose of the members of law enforcing agencies

From Alimuzzaman Miah para, Gatepara and Kuyadang bus stand areas of the town, which are well known spots for

the trade of smuggled drugs. The use of phensidyl among the addicts has been increasing thereby raising its demand which in turn has resulted in high price.

In the town one bottle of phensidyl is being sold between Taka 130 and Taka 160.

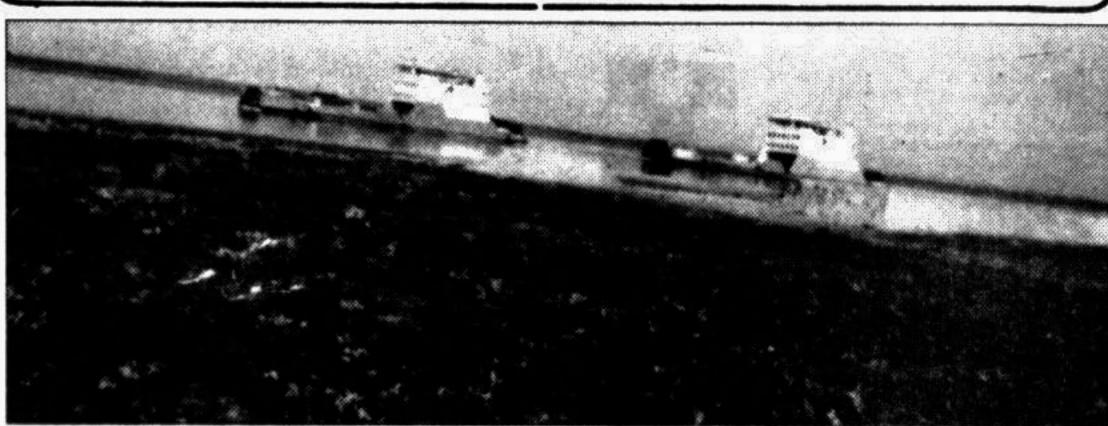

Gopalganj police arrested one person. Arabindha with 20 bottles of phensidyl from Gatepara area in the town recently.

People have sought effective

measures from the authorities concerned to check smuggling immediately.

According to sources, the banned drug reach Gopalganj town through road routes from Khulna and Satkhira. The road from Bagerhat to Gopalganj is narrow and not widely used by regular truck and bus drivers. About 15 passenger buses run on this routes. Most of them allegedly are involved in carrying the drug bottle one way or the

The drugs in containers are then repacked for further despatch to other neighbouring districts. As many as 500 young boys regularly take phensidy syrup in the town, a phensidyl trader informed.

PABNA: The river Jamuna which was once a mighty river has now turned into merely a canal. Sharp fall in water level and emergence of shoals at various points of the river have reduced its navigability to a great extent. The depth of water on the river channel is now little over 8 feet. As a result, the ferries are compelled to move very slowly. Recently the original ferry ghat has been shifted from Nagarbari to Raghunathpur.

Massive Rabi crops farming scheme

From Our Correspondent

MOULVIBAZAR, Nov About 45,620 hectares of land have been brought under Rabi crops farming in the district during the current season. According to Agriculture

Extension Department (AED). of the total land 36 thousand hectares will be brought under Boro cultivation, of which 11 thousand hectares under local variety and 25 thousand will be brought under High Yielding Variety (HYV).

With the implementation of the scheme it is expected that about 97,050 metric tons of Boro will be produced in the district.

Besides this, under the same programme, about 300 hectares of land will be brought under wheat cultivation, 50 hectares under maize, 3000 hectares under potato, 1000 hectares under sweet potato. 2820 hectares under mustard, 3000 hectares under winter vegetables and 367 hectares under different vari-

eties of pulses. The production target of these Rabi crops are fixed at 600 metric tons of wheat, 125 metric tons of maize.

14670 metric tons of sweet potato, 3000 met ric tons of winter vegetables. 2538 metric tons of mustard and 303.76 metric tons of different varieties of pulses.

For successful implementation of this massive Rabi crop cultivation programme, AED has arranged 350 demonstration plots of different Rabi crops in six thanas of the district to educate the farmers on the scientific methods of cultivation. Besides this, the government

ing to sources, under this scheme seeds and fertilizer will be distributed among the flood affected poor

According to police sources, the victim, wife of a rickshawvan puller was raped by five youngmen in presence of her husband. Abdul Hug in a shrimp enclosure at Fakirhat thana of Bagerhat district on Tuesday might.

Police said. Shahina was later rescued and hospitalised in a critical condition. None of the accused was arrested till filing of this report on Thursday night.

'Future of wildlife depends on state policy"

From RU Correspondent

RAJSHAHI UNIVERSITY Nov 22 Speakers at a seminar on "Wildlife Conservation of Bangladesh: Constraints and Prospects' held on Thursday at Institute of Biological Sciences (IBSc) Conference Hall, Ra ishahi University have said that illiteracy and poverty are the main constraints for conservation of wildlife of Bangladesh.

Professor M Altaf Hossain former pro-Vice Chancellor. Rajshahi University and president of Bangladesh Zeological Society presenting the keynote paper said, that the wildlife of Bangladesh could not be conserved by one ministry but integrated approach of different ministries specially ministry of fisheries and livestock, ministry of forest & environment is essential. Strict implementation of the Bangladesh Wildlife (Preservation) Act, 1973 and promulgation of special legislations is a must for habitat

The future status of the wildlife will depend on the nature of political and economic

preservation, Prof Altaf added.

policies, he also mentioned. Giving the prospects of wildlife conservation a prominent zoologist of the country Prof Altaf said, conservation of wildlife will help to reduce poverty and upheld socio-economic condition of our people If we destroy our wildlife then

we destroy ourselves, he cau-

tioned. Giving a series of recommendation, about the conservation of wildlife, Prof Altaf said. "we can develop farming system with the wildlife of Bangladesh like other countries of the world. Crocodiles, turtles and snakes farms are well developed in different countries of the world including India." We can developed wildlife

farms of deer, elephants. aquatic mammals, he added Prof M Yusuf Ali. Vice-Chancellor of Rajshahi University, in his inaugural speech human being is the most ferocious living creature in the world as they do not care about killing of animals. "If we are conscious about the impact of killing animals the conservation of wildlife would be easily done," he added Prof K A M Sahadat Hossain

Mondol in his presidential address at the opening session of the seminar said, "we must conserve our wildlife for stability of our ecosystem and socio-economic sustainability. He hoped that our glorious wildlife heritage can help us to develop tourism in our country. Prof Farid Ahsan of Chittagong University, Prof Sohrab Ali. Prof M A Mannan, Prof Bidhan Chandra Das were the discussants in the technical session with Prof Khalequzzaman. Chairman of Zoology Department, Rajshahi University in the chair.
