Govt destroying domestic industries: Sramik Dal

BNP labour front leaders at a rally yesterday alleged the present government was trying to divert the nation from productive effort and turn the work-force into a nation of beggars.

The government in a well-planned way is destroying the domestic industries and selling out the nationalised industries instead of operating those with skilled hands, they said.

The city unit of Jatiyatabadi Sramik Dal organised the rally at Mohammadpur Pisciculture road, presided over by M A

Taher, the meeting was addressed, among others, by BNP's information and research secretary Ehsanul Kabir, ward commissioner Abul Khair Bablu and Krishak Dal leader Jamaluddin Khan.

The Sramik Dal leaders said the country had already been flooded with Indian goods and nowadays everything was being imported and smuggled from India with a design to destroy local industries.

The government has also no plan for flourishing science and technology in the country as it (govt) wants to be totally dependent on others," said the meeting.

Speakers also blasted import of what they said Indian culture to destroy the thousands of years of cultural heritage of Bangladesh in a very planned way.

Indian artists teams are frequently visiting to Bangladesh and desperately trying to attract people to Indian culture, they added.

Meanwhile, a 51-member convening committee of Sramik Dal of ward-no 45 was formed with Abdus Sobhan as its convenor.

Free plastic surgery

A nine-member surgical experts team led by Dr. Paulo G. Merselli of International Welfare Organisation, Italy branch, will provide free medical service on plastic surgery next month, a press release said in the city yesterday.

The 13-day programme will take place at the Dhaka Medical College Hospital from December 28 to January 9, 1997.

Persons, who are interested to get treatment from the team have been requested to enlist their names for preliminary selection from December 1 to 18 at the surgical outdoor of the Dhaka Medical College Hospital.

MRTSP workshop held

A one-day workshop organised by Menstrual Regulation Training and Services Programme (MRTSP) was held at a local hotel yesterday, says a press release.

Participated by the project advisers and project directors of different MRTSP centres, the workshop was inaugurated by Mohammad Ali, Secretary, Ministry of Health and Family Welfare as the chief guest.

Prof S. Firoza Begum, President of MRTSP, presided over the inaugural session.

Mohammad Ali assured all-out government support to spearhead MRTSP activities in future.

Karl G. Hagstrom, Sida Representative in Bangladesh, expressed great satisfaction over MRTSP expansion. Appreciating the role of the organisers of the workshop, he gave positive indication of continued assistance to MRTSP activities by Swedish government.

Dr A K Shamsuddin Siddiqui, Director General (Health) addressing the workshop pledged to do the needful for further expansion of MRTSP.

Karim's show extended

By Staff Correspondent

A foreign mission stationed in Bangladesh has a

VACANCY

for an

Adviser (Development)

Duties:

The main duties of the position will be to advise expatriate staff in matters related to screening, assessment and monitoring of development projects, mostly in the education sector. The incumbent can also be given other tasks relevant to bilateral programmes in Bangladesh. The most important duties will be to contribute in the preparation of policy documents, to contribute to quality improvements in the procedural administration of agreements, to assess progress, accounts and audit reports to undertake field visits, and to take constructive part in dialogues with government officials, other donors and beneficiaries.

Requirements:

Applicants should as a minimum have a Master Degree, preferably in an education related subject. Other educational background relevant to the assigned duties can be considered. Further, applicants should have at least 4-6 years working experience in fields like education administration, relevant research, and public and/or project administration. Analytical abilities and excellent command of English, written and verbal, are prerequisites.

Substantial working capacity and ability to take initiatives and work independently are important personal attributes. The incumbent should also be open-minded and co-operative as well as having a commitment towards development work for poverty alleviation.

Applications:

Applications with documentation of education and working experience, and with references shall be sent to House No 9, Road 114, Gulshan, Dhaka-1212 within 5th December 1996.

requires

PROJECT COORDINATOR

The ACME Laboratories Ltd. one of the top ranking pharmaceutical companies in the country, is looking for a "Project Coordinator". This is a high profile multi-dimensional/ disciplinary Senior Management position, reporting directly to the Company's Board of Directors. The incumbent will be key-person for overall coordination and management of a range of diversified project, like Real Estate/Construction, Pharmaceutical/Veterinary production, Food processing, Garments/Textile Sectors and any other future business ventures.

Although a Head Office based position the job will require the successful candidate to shuttle between Head Office and various project sites as needed. The Position carries with it an attractive remuneration package & fringe benefits commensurate with the requisite qualification and job experience of the incumbent.

Academic Qualifications MS in Chemical/Mechanical Engineering with an MBA preferably majoring in Finance. Must have computer proficiencies.

Experience

Atleast 8 (eight) years direct participation in multi-project management with multinational, reputed private companies, NGOs or autonomous organisation.

Job Summary

Act as a Coordinator & Resource Person between project personnel external consultant, concerned departments and the Company's Board of Directors. Provide overall leadership and direction to fulfil Company's various project plans, implementation & follow-up.

Capabilities: The incumbent should be self-motivated, energetic and willing to work long hours under stressful conditions. He must have the ability to meet stipulated deadlines, manage progress and ensure project schedule/target. He should possess excellent communication and interpersonal skills. Dynamic and innovative leadership skill is also a pre-requisite. The incumbent will act as the prime-mover in project planning implementation, supervision and monitoring of progress. He will ensure and deliver quality service promptly on schedule, prepare project profile, review project budgets and ensure fiscal discipline. He will also identify appropriate external resource person (consultant) for specific projects, as and when required, with applicable technical, functional expertise to perform the job. It will be his responsibility to select and lead a team of competent project support personnel and to ensure proper logistics for smooth running of projects. He will maintain regular liaison with project partners/counterparts/ Govt. agencies.

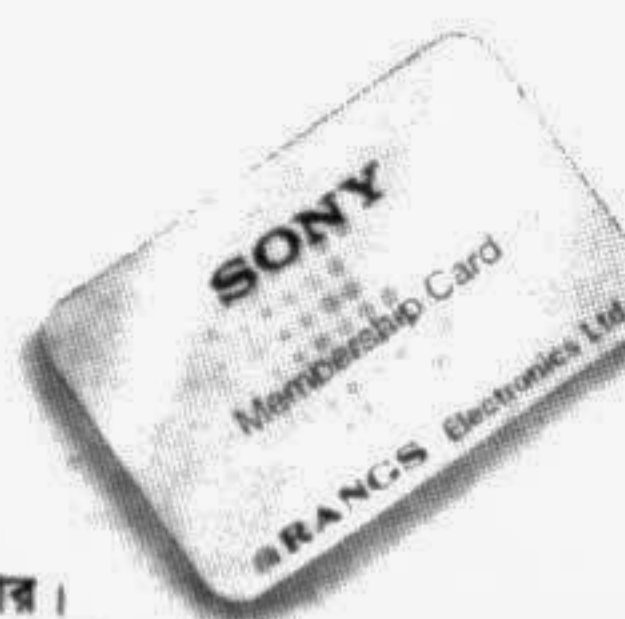

Application from deserving candidates with detailed C.V., photograph and copies of certificates should reach. The Corporate Executive, **ACME Laboratories Ltd.** 55, Satmasjid Road, Dhanmondi, Dhaka-1209 on or before 7 December, 1996.
